# INTRODUCTION TO THE PUBLIC ACCOUNTS

## Nature of the Public Accounts

The Public Accounts is the report of the Government of Canada prepared each fiscal year by the Receiver General as required by Section 64 of the Financial Administration Act.

The report covers the fiscal year of the Government, which ends on March 31, and is prepared from data contained in the accounts of Canada and from more detailed records maintained in departments and agencies. The accounts of Canada is the centralized record of the Government's financial transactions maintained by the Receiver General in which the transactions of all departments and agencies are summarized. Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

## Format of the Public Accounts

The Public Accounts is produced in three volumes.

**Volume I** presents a summary analysis of the financial transactions of the Government while **Volume III** contains an annual consolidated report on the businesses and activities of all parent Crown corporations together with a listing of all Crown corporations and other corporate interests of Canada.

**Volume II** is published in two parts. **Part I** presents the financial operations of the Government, segregated by ministry while **Part II** presents additional information and analyses. The content of **Part II** is summarized as follows:

- financial statements of revolving funds (Section 1);
- financial statements of departmental corporations and other entities (Section 2);
- supplementary information required by the Financial Administration Act (Section 3);
- accounts receivable (Section 4);
- professional and special services (Section 5);
- construction and/or acquisition of land, buildings, works, machinery and equipment (Section 6);
- transfer payments (Section 7);
- public debt charges (Section 8);
- payments of damage claims, ex gratia payments, Federal Court awards and nugatory payments (Section 9);
- federal-provincial shared-cost programs (Section 10);
- other Government-wide information (Section 11); and,
- other miscellaneous information (Section 12).

## Airports Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Airports Revolving Fund have been prepared in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year. The primary responsibility for the integrity and objectivity of the data in these financial statements rests with management.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2. Some of the information included is based on management's best estimates and judgements, which give due consideration to materiality. To meet the reporting requirements, separate accounts are maintained on a decentralized basis for each of the airports funded by the Revolving Fund, under the functional authority of the Director General, Finance, and are submitted to Ottawa Headquarters for review and consolidation.

The airports in the Fund are subject to the departmental systems of financial management and internal control and such additional policies, practices and procedures as are necessary to facilitate financial reporting for the Revolving Fund, in accordance with the requirements of the Treasury Board and Receiver General for Canada. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are recorded to maintain accountability of Government funds and to safeguard the assets of the Revolving Fund.

Management seeks to assure the objectivity and integrity of data in its financial statements by careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization. In addition, the financial management and internal control systems are augmented by the maintenance of internal audit programs.

The accounting system and financial statements of the Fund have evolved over time in conjunction with changing conditions, the evolution of financial reporting in Canada and in response to the reporting requirements of Treasury Board and the Receiver General for Canada.

The airports in the Revolving Fund are operated and maintained in accordance with nationally promulgated policies, standards and procedures, on a cost-recoverable basis, so as to provide safe and efficient facilities and services consistent with the protection of the environment. Certain essential services provided by the Aviation Group for the approach, landing and take-off of aircraft are charged to the airports in the Fund.

These financial statements have been examined by the Auditor General of Canada. The Auditor General's role is to express an opinion as to whether the financial statements present fairly the financial position of the Fund and the results of its operations and the changes in its financial position in accordance with generally accepted accounting principles applied on a consistent basis.

**Airports Revolving Fund—Continued****AUDITOR'S REPORT**

TO THE MINISTER OF TRANSPORT

I have examined the balance sheet of the Airports Revolving Fund as at March 31, 1990 and the statement of operations and allocations, accumulated surplus, contributed capital and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Fund as at March 31, 1990 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Raymond Dubois, F.C.A.

**Airports Revolving Fund—Continued**NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990**1. Authority and purpose**

The Airports Revolving Fund (formerly known as the Self-supporting Airports and Associated Ground Services Revolving Funds) in accordance with the Revolving Funds Act, is authorized to make operating and capital expenditures out of the Consolidated Revenue Fund for the purpose of operating, maintaining and developing such airports as the Treasury Board may approve. The Fund is also authorized to spend any revenue received from the operation of such airports for this purpose as well as any monies appropriated therefor by Parliament from time to time.

This Fund was originally established in 1969. It has a statutory drawing authority of \$80 million on the Consolidated Revenue Fund and it operates under terms and conditions approved by the Treasury Board.

Over the years the number of airports in the Fund has varied. At present, there are eight: Halifax, Montreal (Dorval and Mirabel), Ottawa, Pearson, Winnipeg, Calgary, Edmonton and Vancouver.

**2. Summary of significant accounting policies**

The financial statements have been prepared in accordance with accounting principles generally accepted in Canada.

**(a) Valuation of inventory of materials and supplies**

Inventory of materials and supplies, held for repair and maintenance purposes at the airports, is valued at the lower of cost and replacement value.

**(b) Deferred charges**

Payments made by the Fund which give rise to future benefits are recorded as deferred charges and are amortized over the years to which the benefits relate.

**(c) Fixed assets**

Fixed assets purchased by the Fund are recorded at cost. Fixed assets transferred to the Fund prior to April 1, 1979 are recorded at appraised values established by the Department of Transport in accordance with Treasury Board Circular 1970-7. Fixed assets transferred to the Fund as at April 1, 1979 were recorded at their depreciated value at that date. All subsequent transfers of fixed assets from and to Canada are recorded at net book value at the date of transfer.

Project administration costs, including interest incurred during the construction of new airports, are capitalized and included in airport development costs to the extent that these costs are not readily identifiable with specific fixed assets. Additions, renewals and betterments which extend the economic lives of the assets are capitalized. Maintenance and repairs are charged to operations.

**(d) Depreciation of fixed assets**

Depreciation is charged on a straight-line method based on the estimated useful life of the asset.

The depreciation rates used within the major classes of assets are as follows:

Terminal and facilities	2.5% to 10.0%
Runways and other paved surfaces	3.3% to 5.5%
Machinery and equipment	4.0% to 20.0%
Airport development costs	4.2%

**(e) Deferred revenue**

Funds received in advance are recorded as deferred revenue and recognized as revenue over the term of the lease.

**(f) Terminal control costs**

Terminal control costs are for those air navigational services associated with the approach, landing and take-off of aircraft at an airport and the control of en route flights while traversing a terminal control area. The costing of terminal control is an estimate of direct and indirect costs including depreciation for air traffic services, flight service stations, technical support services, flight calibration, and meteorological services.

**(g) Interest associated with capital contributed to the Fund**

Interest is allocated on the capital contributed to the Fund. The interest rate (10.40% in 1989-90, 10.41% in 1988-89) is based on Crown corporation borrowing rates weighted against the net book value of capital acquisitions for the last 20 years. An average of the contributed capital balance less surplus in the accumulated net charge against the Fund's authority balance at the beginning and the end of the year is used to calculate the allocated interest.

**(h) Employee benefits**

Department of Transport employees operating the airports of the Fund are covered by the Public Service Superannuation Act and the Supplementary Retirement Benefits Act. The Government of Canada's portion of their pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation Retirement Benefits Account.

Termination benefits accrue to Department of Transport employees operating airports of the Fund. Payment of these benefits is made to employees on separation or retirement. The cost of these benefits is expensed in the year in which they are earned.

**(i) Departmental overhead**

Departmental overhead reflects the charges by the Department of Transport for the estimated costs of technical and administrative services provided to the Fund. Since these expenditures are not readily identifiable with specific services, the charges are allocated to the Fund as a percentage of direct operating and maintenance expenses.

**(j) Grants in lieu of taxes**

Grants in lieu of taxes, imposed on airports of the Fund, are accrued based on estimated municipal assessments adjusted in accordance with the Municipal Grants Act. Grants are paid by the Department of Public Works and recovered from the Fund.

The grants are not finalized until they have been audited by the Department of Public Works, often several years in arrears. Any adjustments upon finalization are reflected in the accounts in the year of settlement.

## Airports Revolving Fund—Continued

## NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 1990—Continued

- (k) Services provided to and received from Government departments without charge

The estimated costs for services provided to and received from Government departments without charge are included in their respective revenue and expense categories and are offset by a corresponding amount which is included under allocations.

- (l) Air transportation tax

Air transportation tax is levied under the Excise Tax Act, Part II. The tax is collected by the Department of National Revenue—Customs and Excise which transfers funds equivalent to the tax collections to the Department of Transport.

Sufficient tax proceeds are allocated to the Fund in the Main Estimates to cover the estimated shortfall between site-generated revenue and operating costs, depreciation and interest. The air transportation tax allocation is subsequently revised to offset non-cash adjustments to terminal control costs and departmental overhead.

The air transportation tax allocation is included under allocations.

3. Changes in financial statement presentation

Certain 1989 comparative amounts have been reclassified to conform to the presentation adopted in 1990.

4. Long-term receivables

The long-term receivables are due from the country's two major airlines as the portion of unpaid fuel concession fees negotiated as a settlement. Payments due total \$579,445 annually from 1990-91 to 1998-99 inclusive and \$199,750 in 1999-2000 and are non-interest bearing.

5. Fixed assets and accumulated depreciation

6. Development Agreement—Terminal 3, Lester B. Pearson International Airport

In 1987, the Department of Transport entered into a development agreement under which a developer will construct and operate a third terminal building at Lester B. Pearson International Airport in Toronto. A ground lease and related agreements were executed in 1988. The ground lease is for a term of 40 years and the Developer has the option of renewing the lease for a further term of 20 years. Title to the terminal building passes to the Department of Transport, at no cost, automatically at the end of the 20 year renewal term, or at the end of the 40 year lease term if the Developer does not exercise his option to renew.

The Developer paid \$2 million on entering into the lease agreement in April 1988 and is required to pay a further \$28 million on completion of the terminal building or September 22, 1990, whichever is earlier. These payments will be recognized as revenue over the 40 year lease term commencing on the completion of the terminal building which is expected later in the fiscal year 1990-91.

The Department of Transport has agreed to provide, under certain specified conditions, loans to the Developer during the first 15 years of the lease. The principal and accumulated interest on these loans may not exceed \$70 million and in any one year no more than \$8 million may be loaned. As at March 31, 1990, no such loans had been made. Should loans be made, an amount of 25% of the value of any such loans will be charged to the Revolving Fund and will be set aside in the Consolidated Revenue Fund as a reserve against defaults.

Fixed assets, at cost and appraised values	Balance at beginning of year	Acquisitions	Disposals	Transfers	Balance at end of year

		595,415	(3,051)	654,895

## Airports Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990—Continued

## 7. Equity of Canada

## (a) Accumulated net charge against the Fund's authority

The accumulated net charge against the Fund's authority represents the net accumulation of all cash transactions made through the Consolidated Revenue Fund, the central account through which all Government receipts and disbursements flow. By virtue of the Fund's mandate, it receives credit for all revenues collected and is empowered to draw funds under statutory authority from the Consolidated Revenue Fund for shortfalls up to the maximum of the authorized limit of \$80 million.

A drawdown on the Fund's authority occurs when accumulated cash disbursements exceed accumulated cash receipts (credit balance) and bears interest at a rate determined by the Minister of Finance. An accumulated excess of cash receipts over cash disbursements (debit balance) represents an addition to the drawing authority of the Fund.

## (b) Contributed capital

Contributed capital primarily includes the amounts representing the values assigned to assets transferred from and to Canada and interest associated with capital contributed to the Fund.

## (c) Accumulated surplus

The accumulated surplus account represents the net accumulation of surpluses and deficits since the establishment of the Fund reduced by amounts transferred to the Department of Transport at the direction of Treasury Board.

## 8. Royal Canadian Mounted Police security services

The RCMP provides security services without charge to the Fund. An enhanced level of service in relation to national security is now being provided in addition to the basic security services previously provided. An estimated amount of \$21.4 million (1989—\$25 million) relating to the basic security service is included as part of the operating expenses of the Fund with a corresponding offset included under allocations.

## 9. Net other services provided to and received from Government departments without charge

The other services provided to and received from the Department of Transport and other Government departments without charge are recorded and included under their corresponding revenue and expense categories.

These services are summarized as follows:

	1989-90	1988-89
	(in thousands of dollars)	
Services received—		
Crash, fire and rescue—Department of National Defence .....	1,474	1,402
Provincial sales tax—Supply and Services Canada .....	2,886	2,702
Telecommunications equipment maintenance—Department of Transport .....	3,408	3,110
Other .....	1,198	1,165
	<u>8,966</u>	<u>8,379</u>
Services provided—		
Landing fees—State and military aircraft .....	(3,273)	(4,347)
Other .....	(836)	(630)
	<u>(4,109)</u>	<u>(4,977)</u>
	<u>4,857</u>	<u>3,402</u>

## 10. Allocations

Certain amounts are allocated to the Fund to offset expenses as follows:

	1989-90	1988-89
	(in thousands of dollars)	
Air transportation tax paid to the Fund as provided for in the Main Estimates .....	65,501	79,800
Increased allocation to offset non-cash adjustments to terminal control costs and departmental overhead .....	16,261	572
Total air transportation tax allocation .....	81,762	80,372
RCMP security services received without charge .....	21,421	25,000
Net other services provided to and received from Government departments without charge .....	4,857	3,402
Total allocations .....	<u>108,040</u>	<u>108,774</u>

## 11. Contractual obligations

As at March 31, 1990, the Fund was committed to expenditures totalling approximately \$76 million (1989—\$57 million) under fixed asset construction and maintenance contracts.

## 12. Airport transfers

In 1989, Cabinet approved a policy to transfer airports to local management. Later that year, the Department of Transport signed letters of intent with regional airport authorities to begin negotiating the transfer of Edmonton, Vancouver, and Calgary International Airports and the Montreal International Airports at Dorval and Mirabel.

No transfers have occurred to date but negotiations are continuing and the nature of the type of possible transfers (sale or lease), the amount of any proceeds, the gain or loss on disposal and any other effect on the Fund cannot be determined at this time.

**Airports Revolving Fund—Concluded**

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990—Concluded

13. Contingent liabilities

The Department of Transport is a defendant in certain pending and threatened litigations related to the operations of the Fund. The aggregate amount of claims in respect thereof as at March 31, 1990 is approximately \$93 million. Settlement, if any, resulting from the resolution of these claims will be accounted for in the year in which the settlement occurs.

These claims previously included a legal suit filed in the Federal Court of Canada by a group of major international air carriers challenging the legality of the Air Services Fees Regulations related to the transoceanic landing fee levied under Section 5 of the Aeronautics Act. They claimed reimbursement of all transoceanic landing fees paid since 1974. A favorable judgement to the Department of Transport was rendered when the action was heard in February 1987. A notice of appeal filed by the air carriers was heard in 1990 and resulted in a dismissal of the claim with no liability to the Department of Transport.

On May 16, 1989, virtually all of the major airlines using Canadian airports filed a suit in the Federal Court of Canada naming Her Majesty the Queen in Right of Canada, the Minister of Transport and the Department of Transport as defendants. The airlines' claim of \$66 million was for fuel concession fees covering the period 1983 to 1988. The major part of this claim relates to the airports which are included in the Fund. However, an undetermined part of this claim relates to other airports operated by the Federal Government.

In December 1989, the Department of Transport obtained agreement with the country's two major airlines by which the airlines agreed:

- (a) to discontinue court action (their portion represented approximately 80% of the total claim);
- (b) to pay fuel concession fees from December 1, 1989 until March 31, 1991 or the introduction of the new cost recovery policy, whichever is sooner; and
- (c) to remit a portion of the unpaid fuel concession fees as negotiated.

The Department of Transport agreed to discontinue charging the fee after March 31, 1991. The Department of Justice and Transport are working to fully resolve the fuel concession fee litigation and contractual issues in relation to the other airlines.

---

## Defence Production Revolving Fund

### MANAGEMENT REPORT

The accompanying financial statements of the Defence Production Revolving Fund have been prepared by Supply and Services Canada in accordance with Treasury Board policies, the Defence Production Act, and reporting requirements and standards of the Receiver General for Canada.

The statements have been prepared on a basis consistent with that of the preceding year and are consistent with information presented elsewhere in the Public Accounts and with departmental reports. Significant accounting policies used in the preparation of the financial statements are included in the notes to financial statements. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality.

The primary responsibility for the integrity and objectivity of these statements rests with the Finance and Administration Sector. This responsibility is discharged by the Financial Policy, Accounting and Reporting Systems Directorate which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management. Furthermore, the Department maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. Financial management and internal control systems are augmented by the maintenance of internal audit programs.

**NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990****1. Purpose and authority**

The Defence Production Revolving Fund has been established by Section 15 of the Defence Production Act. It was established in 1951 for the purpose of:

- financing the stockpiling of defence supplies or strategic materials;
- making loans or advances to aid in defence procurement such as working capital loans as advance payments on contracts but not including loans or advance payments for capital purposes; and
- permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated government in advance of delivery of goods.

The Adjustment of Accounts Act (S.C. 1980, c. 17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the Defence Production Act, item (b) above.

The Fund and the Defence Production Loan Account have a continuing non-lapsing authority from the Adjustment of Accounts Act to make payments out of the Consolidated Revenue Fund, the total of which is not to exceed at any time by more than \$100 million the aggregate of amounts received on these two accounts. An amount of \$15,408,997, representing net assets assumed by the Fund, was charged to this authority when the Fund became budgetary in 1981. Pursuant to Treasury Board authority, the accumulated surplus in the amount of \$455,935 has been transferred to the Fund's authority during 1984-85.

**2. Significant accounting policies**

- Payments to suppliers for defence supplies are billed to departments and Crown corporations at cost.

- Progress payments to suppliers

Progress payments and accrued liabilities to suppliers for defence supplies requisitioned by Government departments and agencies and/or for stockpiled inventories, which are in progress and located on the supplier's premises, are recorded as progress payments to suppliers. Under the terms of the contracts, the suppliers are liable to the Fund until delivery takes place.

- Progress billings to customers

Billings to customers for defence supplies requisitioned which have not yet been delivered to customers are recorded in the accounts as progress billings to customers.

Note: For the year ended March 31, 1990 there were no transactions that applied to (a), (b) and (c). For the year ended March 31, 1989 there were no transactions that applied to (b) and (c).

# Government Telecommunications Agency Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Government Telecommunications Agency (GTA) Revolving Fund have been prepared as required by and in accordance with the policy and procedures of the Treasury Board for revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the significant accounting policies, as set out in Note 2, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Director General, Financial Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. These are supplemented by additional systems and procedures developed and implemented by the Fund's Finance and Administration Division. The Fund maintains systems of financial management and internal control to encourage the use of prudence, probity and value-for-money in the spending of public funds. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the activities of internal audit and by frequent contacts with departmental financial and internal audit officers.

The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified accounting staff, by organizational arrangements that provide appropriate divisions of responsibility and by a high standard of internal communications aimed at ensuring that its regulations, policies, procedures and managerial authorities are understood throughout the Agency.

The Agency maintains and operates a computerized financial information system, that was designed to meet the unique requirements of accounting for revolving fund transactions, and the need to provide timely and accurate financial information required by the Department of Supply and Services in its discharge of Receiver General responsibilities relating to the Accounts of Canada.

# Government Telecommunications Agency Revolving Fund—Continued

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1990

### 1. Purpose and authority

The Government Telecommunications Agency Revolving Fund was originally established in 1963 to plan and provide telecommunications facilities and services at the request of federal departments and agencies. Section 23 of the Adjustment of Accounts Act which was repealed and replaced by Section 4 of the Revolving Funds Act, authorized the Minister to make payments out of the Consolidated Revenue Fund for working capital, capital equipment and temporary financing of operating requirements, the total of which was not to exceed \$8,000,000 at any time. This authority was increased to \$12,000,000 by Appropriation Act No. 4, 1981-82, to \$15,000,000 by Appropriation Act No. 4, 1983-84 and to \$19,000,000 by Appropriation Act No. 4, 1984-85 and to \$30,000,000 by Appropriation Act No. 3, 1989-90. In accordance with Vote 2c, Appropriation Act No. 4, 1982-83, an amount of \$1,485,822 of the accumulated deficit caused by the payment to Bell Canada for a terminated contract has been written off to the authority. An amount of \$741,781 representing net assets assumed by the Fund and assets contributed to the Fund was charged against this authority when the Fund became budgetary.

### 2. Significant accounting policies

#### (a) Prepaid expenses

Some payments are made to suppliers for activity in the next fiscal year and are recorded as prepaid expenses on the balance sheet.

#### (b) Fixed assets

Fixed assets are carried at cost. In most cases, depreciation is calculated using the diminishing balance method at the following rates: automobiles (30%), office equipment (20%), furniture and fixtures (10%). Telecommunications equipment constitutes a special category of assets, depreciated on a straight-line basis, over the first five to seven years of utilization of the equipment.

#### (c) Assets under capital lease

Leases which transfer substantially all of the benefits and risks incident to ownership of property are accounted for as acquisitions of assets and assumptions of obligations corresponding to the fair acquisition value of the asset (excluding interest charges) at the time of purchase. The asset is amortized and the obligation, including interest thereon, is liquidated over the life of the lease.

#### (d) Deferred charges

Deferred charges are linked to acquisitions of telecommunications equipment by GTA and are amortized on a straight-line basis on the same life expectancy as the asset they relate to. In 1989-90, the amortization relating to deferred charges amounted to \$2,834.

#### (e) Deferred revenue—Service contracts

Advance payments from client departments and agencies for future telecommunications services are recorded as deferred revenue and are included in revenue on an equal basis over a five to seven year period. In 1989-90, \$95,796 was recognized as revenue. An amount of \$193,462 was added to deferred revenue in 1989-90 and will be amortized over the remaining life expectancy of the asset.

#### (f) Accrued revenue—Long-term

Monthly payment plans are offered to departments and agencies to cover implementation costs of telecommunications services. At the end of 1989-90, the amount outstanding is equal to \$17,214. The short-term portion of the accrued revenue (due in 1989-90) represents \$7,501 and is included in the accounts receivable—Government of Canada in the balance sheet.

#### (g) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

**Government Telecommunications Agency Revolving  
Fund—Concluded**NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED MARCH 31, 1990—*Concluded*

## 4. Obligation under capital lease

On June 1<sup>st</sup>, 1986, the Government Telecommunications Agency Revolving Fund entered into an agreement with BTE (Business Telecom Equipment) to rent telecommunications equipment under capital lease. The asset was capitalized at \$177,000 using an interest rate of 13.63%. The related obligation is liquidated over the lease term of 3 years and is segregated between current and long-term portions on the balance sheet. Lease payments during 1989-90 totalled \$12,049 including interest of \$202 charged to operations (Local).

## 5. Restatement of prior year figures

For comparative purposes, some 1988-89 figures have been restated to conform with the 1989-90 presentation.

---

## National Film Board

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the National Film Board Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. In order to assure maximum objectivity and freedom from bias, the financial data contained in these financial statements have been examined by the Audit Committee and presented to the Board of Trustees.

These financial statements were prepared in accordance with the stated accounting policies, as set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Director of Administration and Financial Services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are

properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs where contacts are maintained between our internal auditor and staff of the Auditor General's Office. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements have been examined by the Auditor General, his role being to express an informed judgement as to whether the financial statements present fairly the financial position of the Board as at March 31, 1990 and the results of its operations and the changes in its financial position for the year then ended in conformity with generally accepted accounting principles.

**National Film Board—Continued****AUDITOR'S REPORT****TO THE MINISTER OF COMMUNICATIONS**

I have examined the balance sheet of the National Film Board as at March 31, 1990 and the statements of operations, accumulated deficit and accumulated net charge against the Revolving Fund's authority for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Board as at March 31, 1990 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Raymond Dubois, F.C.A.  
Deputy Auditor General  
for the Auditor General of Canada

Ottawa, Canada  
June 8, 1990

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990

## 1. Authority and purposes

The National Film Board was established in 1950 under the National Film Act to initiate and promote the production and distribution of films in the national interest and in particular to:

produce and distribute, and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;

represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;

**National Film Board—Continued****NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 1990—Continued**

engage in research in film activity and to make available the results thereof to persons engaged in the production of films; advise the Governor in Council in connection with film activities; and

discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

The Board, through the operation of a revolving fund having a permanent continuing authority from Parliament, can make payments out of the Consolidated Revenue Fund for working capital and the interim financing of operating costs and the acquisition of fixed assets and can record the increase in the net book value of fixed assets against this authority, which provides that the aggregate of admissible working capital and net book value of fixed assets is not to exceed \$20 million at any one time. A parliamentary authority, to replenish the revolving fund for net acquisitions of fixed assets and the admissible cost of operations, is voted annually and recorded in the year to which it applies. Any unused balance lapses.

**2. Significant accounting policies****Production of films and other forms of visual presentation**

All production costs are charged to operations in the year in which they are incurred and shown in the statement of operations as follows:

**Board's program**

All costs incurred for unsponsored productions, the Board's share in coproductions and the excess of costs over the sponsor's contribution for partially-sponsored productions.

**Sponsored production**

All costs incurred for fully-sponsored productions and the sponsored costs of partially-sponsored productions.

Revenues from production of films and other forms of visual presentation are accounted for at an amount equal to the sponsored production costs during the year in which these costs are incurred. Any profit is recognized in the year the production is completed.

**Film prints**

The cost of prints made for sale purposes is recorded as inventories. The cost of other prints is expensed on a current basis.

**Inventories**

Productions in progress are carried at the cumulative amount of costs incurred for each production exceeding advances invoiced, up to the amount of the sponsored unbilled balance. On the other hand, any cumulative excess of advances invoiced over costs incurred is recorded as advances on productions.

Materials and supplies are carried at the average cost.

Film prints and other forms of visual presentation held for sale are carried at the lower of the average direct cost of production and net realizable value.

**Fixed assets**

Technical equipment, data processing equipment, office equipment and furniture and rolling stock are carried at cost. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets, generally 3 to 20 years.

Leasehold improvements are charged to operations as incurred.

The Board enters into operating lease agreements to acquire the exclusive use of certain fixed assets. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which substantially all the benefits and risks incident to ownership of the assets are transferred to the Board. The Board then records an asset and an obligation corresponding to the fair value of the acquisition price of the asset (excluding any interest expenditure). The assets recorded from a capital lease agreement are amortized on the same basis as other assets owned by the Board and the obligations are amortized over the lease term.

**Employee termination benefits**

On termination of employment, employees of the Board are entitled to certain benefits provided for under their collective agreements and their conditions of employment. The cost of these benefits is expensed in the year in which they are earned.

**Pension plan**

All employees participate in the superannuation plan administered by the Government of Canada. The employees and the Board contribute equally to the cost of the plan. This contribution represents the total liability of the Board. Contributions in respect of current service and admissible past service are expensed during the year in which payments are made. The terms of payment for past service are set by the applicable purchase conditions in effect, generally over the number of years of service remaining prior to retirement.

**3. Advances to coproducers**

The Board advanced amounts to coproducers to temporarily finance a portion of their production costs and in order to avoid delaying production schedules. These advances are reimbursable without interest according to the degree of advancement of productions. Concurrently, the coproducers have assigned to the Board amounts owed or amounts that could be owed by Telefilm Canada.

## 6. Obligation under capital leases

The Board entered into agreements to rent data processing equipment and office equipment under capital leases. The assets were capitalized at \$1,835,949 using implicit interest rates varying from 9.5% to 15%. The related obligations are liquidated over the 5-year lease terms and are segregated between current and long-term portions on the balance sheet. Minimum lease payments for the year ended March 31, 1990 totalled \$401,659, including interest of \$21,396 charged to operations.

Obligations under capital leases includes the following:

## Future lease payments

	\$
1991 .....	401,659
1992 .....	401,659

## 10. Contingent liability

The Board is the defendant in certain pending claims and lawsuits for amounts totalling \$1,958,130. It is the opinion of Management that these actions, if as and when resolved, will not result in any substantial liabilities to the Board.

## Passport Office Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Passport Office Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements have been prepared in accordance with the significant accounting policies, set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Fund's division for financial administration complies with departmental financial management and accounting policies, develops those specific to the Fund's requirements and issues manuals and directives which maintain these policies and which describe procedures. The Fund maintains systems of financial management and internal accounting controls which provide management with reasonable assurance that transactions are recorded and executed in accordance with its authorizations and that its assets are safeguarded. These systems are augmented by the departmental internal audit program.

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990****1. Authority and purpose**

The Passport Office Revolving Fund was established in 1969 to provide for the issue of appropriate travel documents to Canadian citizens and to certain permanent residents of Canada who are unable to obtain valid passports from their country of origin. The Revolving Funds Act authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,000,000 at any time. An amount of \$745,893 representing net assets assumed by the Fund and assets contributed to the Fund was charged to this authority when the Fund became budgetary in 1981.

**2. Significant accounting policies****(a) Inventories**

The inventory of materials and supplies is carried at cost and the inventory of passports-in-process is valued at average cost for the year.

**Passport Office Revolving Fund—Concluded**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990—Concluded

## (b) Fixed assets

Leasehold improvements are amortized on the straight-line basis over the term of the appropriate lease. Other fixed assets are depreciated from the year of acquisition on the straight-line basis over their estimated useful lives as follows:

Furniture	16 years
Electronic data processing (EDP) equipment	5 years
Other equipment	10 years

## (c) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada, as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

## (d) Revenue from passport fees is prepaid on application and accounted for on an accrual basis. Deferred revenue represents the fees received for which the services have not yet been provided.

## 3. Inventories

## Public Works Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Public Works Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. Furthermore, certain transactions of the Revolving Fund have been examined by the Auditor General as part of his annual audit of the Public Accounts.

These financial statements were prepared in accordance with the stated accounting policies set out in Note 2. Some previous years' figures have been reclassified to conform to the current year's presentation. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Department's Corporate Management Branch develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Branch maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly

recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The accounting systems and financial statements have evolved over the years to meet changing conditions. Effective April 1, 1989, a revised Program/Activity structure was introduced. The new structure responds to the Department's desire to: simplify the structure by reducing the number of activities in order to provide more concise and meaningful information; and to reflect the departmental reorganization and revised accountabilities.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990

## 1. Purpose and authority

The Public Works Revolving Fund was established by the Adjustment of Accounts Act (Bill C-22 dated July 22, 1980), which was repealed in 1985 and replaced by Section 5 of the Revolving Funds Act, to allow the Minister of Public Works to make expenditures for undertakings by the Department on behalf of other Government departments and agencies, other Governments and private sector tenants of federally owned or leased property. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the operating expenses, the necessary working capital, and capital expenditures, the total of which is not to exceed \$450,000,000 at any time.

**Public Works Revolving Fund—Continued**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990—Continued

In accordance with Section 33 of the Adjustment of Accounts Act, and through the 1983-84 Supplementary Estimates B, the authority of the Fund was amended to include charges on behalf of other PWC's departmental programs and to increase the financial authority from \$55 million to \$150 million. In the 1984-85 final Supplementary Estimates the authority was increased from \$150 million to \$300 million. Through the 1987-88 Supplementary Estimates E, the authority was further increased from \$300 million to \$450 million.

The Services Program operated as a revolving fund on a direct cost recovery basis from April 1, 1985 to March 31, 1988, supplemented by a payment vote to cover non-recoverable operating expenses from clients, as well as a vote to cover capital acquisitions of the program. Since April 1, 1988, under revised terms and conditions of approved TB Minute 805839 dated June 25, 1987, the objective of the Public Works Revolving Fund is to operate as a financially self-supporting entity charging market-based service fees in accordance with the Treasury Board approved rate structure for the services provided to clients. The 1988-89 Main Estimates were formulated on the assumption that the Services Program would generate sufficient revenues to cover expenses. However, due to the uncertainty of the revenue projections, the Department found it necessary to seek funding, in 1989-90, in the amount of \$46,518,751 to cover its operating loss.

**2. Significant accounting policies**

The Public Works Revolving Fund is charged with all expenditures of the Services Program (with the exception of the Statutory Vote: Minister of Public Works—Salary and motor car allowance), and is credited with the recoveries from all clients for the services rendered. The revenues generated include fees based on market practices plus recoveries of salaries and other disbursements, where appropriate.

The financial statements have been prepared using the following accounting policies:

**Revenue recognition**

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or an event giving rise to a claim has taken place.

**Expense recognition and recording**

All expenses, including termination benefits and vacation pay, are recorded in the fiscal year in which they are incurred.

**Accounts receivable**

Accounts receivable are recorded when invoices are issued as a result of the provision of goods or services and are reported at the billed amounts. It is the Fund's policy to provide for doubtful accounts.

**Consumable stores inventory**

This account includes only the consumable materiel that is bought and held in PWC stores on behalf of operational managers responsible for property management services and other services as agreed to by Materiel Management. The inventory is comprised of stock items which are categorized accordingly under hardware, electrical, lumber, and plumbing supplies. Inventories of consumable materials are valued at cost on a first-in, first-out basis.

**Work in process**

Work in process includes the value of actual labour hours at standard rates multiplied by a billing factor, fees and disbursements incurred for services performed or goods delivered on client projects or on behalf of other PWC's departmental programs, less any amounts already billed.

**Fixed assets**

Certain fixed assets previously under the custodianship of the Department of Public Works were assumed by the Fund as of April 1, 1988, and recorded at cost along with the associated accumulated depreciation. As a result, these assets are reflected in the accounting records at net book value. Fixed assets purchased by the Fund since April 1, 1988, are recorded at cost.

Floating marine and related shore based assets costing less than \$15,000 are treated as expenses in the year of acquisition.

Fixed assets (other than those relating to floating marine and related shore-based facilities) costing less than \$1,000 are expensed in the year of acquisition.

A capital expenditure which extends the economic life of an asset or increases its capacity will be capitalized.

Proceeds from disposal of fixed assets are retained by the Fund, with any loss or gain on disposal disclosed separately in the financial statements.

**Depreciation of fixed assets**

Fixed assets are depreciated on a straight-line basis, to their salvage value over their estimated useful economic life, from the month the asset becomes operational on the following basis:

Floating marine and related shore based facilities	Estimated useful economic life
Dredges and fixed shore based facilities	35 years
Scows, tugs and large survey vessels	30 years
All other dredging assets	15 years
<b>Other capital assets</b>	
Vehicles and construction equipment	3 years
Tools, machinery, building and office equipment, including EDP equipment, furniture and fixtures	5 years

**Public Works Revolving Fund—Continued**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990—Continued**Pension plan**

Employees of the Department whose salaries and other benefits are paid by the Fund are covered by the Public Service Superannuation Act and the Supplementary Retirement Benefits Act. The Government's portion of the pension cost is included in the employee benefits assessed against the Fund. The liability for the payment of the pensions is against the Public Service Superannuation and Supplementary Retirement Benefit Accounts.

**Accrued salaries and benefits**

This accrued liability represents the amount of unused annual leave based on average salary rates in effect as at the end of the year. The 1988-89 comparative figure also includes an amount for retro-active salary increases negotiated in 1989-90 and applicable to 1988-89. No provision was made for Pay Equity as payments were made after March 31, 1990, and Funding is to be received in 1990-91.

**Employee termination benefits**

Termination benefits accrue to employees over their years of service with the Government of Canada, as provided for in collective agreements and the cost of these benefits are recorded in the accounts as they are earned by the employees. The amount of the liability has been established, and is revised annually, using rates determined on an actuarial basis, provided by the Treasury Board.

**3. Changes in financial statements presentation**

A revised Program/Activity structure has been introduced for 1989-90. The new structure responds to the Department's desire to:

simplify the structure by reducing the number of activities in order to provide more concise and meaningful information;

reflect the departmental reorganization and revised accountabilities.

The principal changes to the structure are described as follows:

consolidation of the five current Services Program activities into three: Realty Services (comprised of the former Real Estate Services and Realty Management Services activities), Architectural and Engineering Services (comprised of the former Architectural and Engineering Services and Dredging and Fleet Services activities), and the Corporate and Administrative Services activity (unchanged).

The 1989 comparative figures have been restated to reflect the 1990 presentation.

**4. Assumed assets and liabilities**

To assist the Fund in operating as a financially self-supporting entity, certain fixed assets originally funded from departmental appropriations and liabilities for employee unused annual leave and termination benefits were assumed by the Public Works Revolving Fund. As of April 1, 1988, an amount of \$16,547,815 (revised to \$14,427,288 in 1989-90), representing net liabilities assumed by the Fund, was charged to the Fund's accumulated net charge against the Fund's Authority. The current and fixed assets were assumed at their estimated net realizable value and estimated net book value respectively. The long-term liabilities at that date were assumed at their adjusted actuarial values.

## 6. Write-off of prior years' deficits

Treasury Board's approval was received February 8, 1990, (TB 810454) to write-off an amount of up to \$31,260,334 from the accounts of the Public Works Revolving Fund relating to uncollectible debts from other departments, agencies and Crown corporations, as well as the accumulated deficit, which arose prior to 1988-89.

In addition to the above, on February 8, 1990, Treasury Board's approval was received (TB 813101) to write-off an amount of \$63,400,000 from the Public Works Revolving Fund related to the 1988-89 operating deficit.

Parliamentary approval was also received in the Supplementary Estimates C, 1989-90 to adjust the accounts of the Public Works Revolving Fund by the amounts referred to above.

## 7. Adjustment to revenue and expenses

This amount, totalling \$2,294,964, was not included in the revenue and expenses because it should not affect the contribution margin. It represents corrections of errors and adjustments to retroactive pay and severance pay accruals.

## Race Track Supervision Revolving Fund

### MANAGEMENT REPORT

The accompanying financial statements of the Race Track Supervision Revolving Fund have been prepared as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of the data in these statements rests with the management of the Fund.

These financial statements were prepared in accordance with significant accounting policies on a basis consistent with that of the preceding year, as set out in Note 2. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. Information presented herewith is consistent with that presented elsewhere in the Public Accounts and in ministerial reports. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. The Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions.

The Department's Corporate Management Branch develops and disseminates financial management and accounting policies and issues specific directives to the staff managing the Revolving Fund in order to maintain standards of accounting and financial management.

Financial management and internal control of the Fund are maintained through the appropriate division of responsibility, the provision of leadership and evaluation of those operating the Fund as well as internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990

## 1. Authority and purpose

The Race Track Supervision Revolving Fund was established under Appropriation Act No. 1, 1970, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board for the purpose of providing race track supervision in Canada. The Appropriation Act No. 1 was repealed and replaced by Section 2 of the Revolving Funds Act in 1985.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

Charges to the Fund are to include administration expenses of race track supervision and costs of research relating to the use of drugs on horses and race surveillance techniques including the publication, distribution and sale of the results of such research. All revenues from activities approved by Treasury Board are to be credited to the Fund.

The use of the Fund's authority is monitored through the accumulated net charge against the Fund's authority account. Its balance, shown on the Balance Sheet under Equity of Canada, represents the financial position of the revolving fund. It is composed of the cumulative net cash transactions through the Consolidated Revenue Fund, the original net assets transferred to the Fund at inception and any subsequent write-offs of deficit or surplus. The change in this account during the year represents the net financial resources used or provided by the Fund.

## 2. Significant accounting policies

## (a) Fixed assets

Fixed assets, acquired from parliamentary appropriations prior to April 1, 1970 are recorded in the Fund in accordance with Treasury Board Circular 1970-7 at values determined as at that date by officers of the Department. Subsequent acquisitions are recorded in the Fund at cost and are depreciated from the year of the acquisition on a straight-line basis over their estimated useful lives as follows:

Furniture and equipment	10 years
Electronic data processing equipment	5 years
Automotive	3 years
Buildings	25 years

## (b) Pension plan

Employees of the Race Track Division operating the Supervision Revolving Fund are covered by the Public Service Superannuation Act and the Supplementary Retirement Benefits Act. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and the Supplementary Retirement Benefits Accounts.

## (c) Vacation pay

The accrued liability on the Balance Sheet represents the amount of vacation pay credits outstanding at the end of the year.

## (d) Employee termination benefits

Employees leaving Government service generally receive termination benefits at the rate of one week's pay for each complete year of continuous service to a maximum of twenty eight weeks' pay. However, upon resignation, benefits are generally payable only to those with ten or more years of continuous service and the entitlement is reduced to one half week's pay for each year of continuous employment to a maximum of fifteen weeks' pay.

The provision at the end of the year consists of one half week's pay at current salary rates for each complete year of service to a maximum of fifteen weeks' pay.

# Public Service Commission— Staff Development and Training Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Staff Development and Training Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the stated accounting policies, on a basis consistent with that of the preceding year. Some of these policies are further explained in the notes which form part of these statements. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with the information presented in these financial statements, unless indicated otherwise.

The Financial Services Directorate and the Fund's Comptroller, who report functionally to the senior full-time financial officer, develop and disseminate financial management and accounting policies, and issue specific directives which maintain standards of accounting and financial management. Systems of financial management and internal control are maintained for the Fund at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the activities of internal audit and by on-going monitoring activities by the Fund's Comptroller, financial services officers and by the Financial Services Directorate. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990**

**1. Authority and purpose**

The Staff Development and Training Revolving Fund was established by Vote L120, Appropriation Act No. 3, 1971, for the purpose of providing training and development to the Public Service.

The Fund has a continuing non-lapsing authority under the Adjustment of Accounts Act, S.C. 1980, c. 17, to make payments out of the Consolidated Revenue Fund for working capital and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,500,000 at any time. In accordance with Vote 115a (1980-81) and Vote 35c (1981-82), accumulated deficits of \$4,573,071 have been deleted from the accounts. An amount of \$1,915,571 representing net liabilities assumed by the Fund was charged to this authority when the Fund became budgetary in 1981. The Adjustment of Accounts Act has been repealed and replaced by Section 7 of the Revolving Funds Act.

**2. Significant accounting policies**

**(a) Employee termination benefits**

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

**(b) Fixed assets and depreciation**

Effective April 1, 1984 the Staff Development and Training Revolving Fund adopted the accounting policy of capitalizing fixed asset purchases and charging operations for the use of these assets. These fixed assets are depreciated on the declining balance method from the year of acquisition at the following rates:

Office and classroom furniture	10%
Office and classroom equipment	15%
EDP and word processing equipment	25%

**(c) Prepaid expenses**

Under the terms of two contracts, advance payments are made to suppliers for the provision of video learning tapes and are recorded as prepaid expenses on the balance sheet. The operations of the Fund are charged with expenses coincident with the provision of services.

**(d) Deferred revenue**

Consists of amounts received from clients for services to be rendered.

**3. Subsidized operations**

Appropriation funds in the amount of \$2,885,000 were paid to the Staff Development and Training Revolving Fund for the 1989-90 fiscal year. These funds were approved to cover the cost of the activities that should not be borne by the user which are not cost recoverable. The comparative figure for 1988-89 is \$2,492,000.

**4. Fixed assets and accumulated depreciation**

Fixed assets	Balance at beginning of year	Acquisitions	Disposals	Balance at end of year
	\$	\$	\$	\$

5. Extraordinary item

During 1988-89 the Fund has reported an extraordinary gain of \$93,284 due to the establishment of the Canadian Centre for Management Development (T.B. Minutes 808733—June 29, 1988).

This gain consists of:

	\$
Decrease in liability accounts	
(employee termination benefits	
and vacation pay) .....	499,516
Decrease in fixed assets .....	(406,232)
Gain on transfer .....	<u>93,284</u>

## Supply Revolving Fund

### MANAGEMENT REPORT

The accompanying financial statements of the Supply Revolving Fund have been prepared by Supply and Services Canada in accordance with Treasury Board policies, and reporting requirements and standards of the Receiver General for Canada.

The statements have been prepared on a basis consistent with that of the preceding year and are consistent with the information presented elsewhere in the Public Accounts and with departmental reports. Significant accounting policies used in the preparation of the financial statements are included in the notes to financial statements. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality.

The primary responsibility for the integrity and objectivity of these statements rests with the Finance and Administration Sector. This responsibility is discharged by the Financial Policy,

Accounting and Reporting Systems Directorate which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management. Furthermore, the Department maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. Financial management and internal controls are augmented by the maintenance of internal audit programs.

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990

## 1. Purpose and authority

The objective of the Fund is to acquire and provide goods and or services required by departments and agencies, taking into account the contribution of procurement to the realization of national objectives, and to provide services for the disposal of Crown owned materiel, all in the most economical manner.

The Supply Revolving Fund was authorized by Supply and Services Vote L6, Appropriation Act No. 1, 1975. Amendments to the appropriation authorized that the operations of the Supply Revolving Fund be combined with the operations of the Printing Revolving Fund effective April 1, 1975, with the Publishing Revolving Fund effective April 1, 1976 and with the Expositions Revolving Fund effective April 1, 1977.

Effective April 1, 1980, Parliament, through the passage of the "Adjustment of Accounts Act", repealed all votes in respect of the accounts of the Supply Revolving Fund. Section 29 of the Act established the Supply Revolving Fund as a budgetary entity with a statutory non-lapsing drawing authority of \$150 million. The authorized limit of the Fund was subsequently increased from \$150 million to \$200 million through the Appropriation Act No. 4, 1981-82. In 1983 the Revolving Funds Act repealed the "Adjustment of Accounts Act" and Section 8 authorized the establishment of the Supply Revolving Fund.

An amount of \$44,171,345, representing net assets assumed by the Fund and assets contributed to the Fund, was charged to this authority when the Fund became budgetary in 1981. Pursuant to Treasury Board authority, the accumulated surplus has been transferred to the Fund's authority as follows:

	\$
1982-83 .....	3,256,386
1983-84 .....	4,888,134
1984-85 .....	5,691,677
1985-86 .....	22,763,154
1986-87 .....	647,189
	37,246,540

## 2. Significant accounting policies

## (a) Revenue and expenses

Revenue and expenses are recorded on the accrual basis of accounting with the following variations:

- (i) The accrual policy for recording certain acquisition revenue is based on detailed and validated statistical analysis of the procurement work-load. This policy was implemented to avoid expensive record keeping while respecting the need for adherence to the generally accepted accounting principle of matching cost and revenue.

This policy was revised April 1, 1985. As a result, on contracts ranging from (\$200,000 to \$50 million between April 1, 1985 and May 31, 1987) \$240,000 to \$60 million from June 1, 1987, an initial fee equal to 50% on Science and Engineering Acquisition contracts and 65% on Commercial Acquisition and Printing Acquisition contracts is charged at the date of contract issuance and the balance of the fee is charged over the life of the contract. Certain other large contracts are administered on a project management basis and the actual cost of the project is recorded as revenue in each accounting period over the entire life of the project. Management recognizes that some revenue is earned prior to contract award date but is of the opinion that the accounting principle of matching cost and revenue is not materially violated.

- (ii) Employee benefits (termination benefits and vacation pay) accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. The total liability for these benefits is not accrued; however, the actual expenses are recorded in the period in which they are incurred. The unaccrued liability is reflected in Note 9.

## (b) Depreciation

Leasehold improvements are amortized on the straight-line basis over the term of the lease with a maximum of 10 years. Other fixed assets are depreciated commencing the year after acquisition on the straight-line basis over their estimated useful lives as follows:

Leasehold improvements	10 years
Furniture	5 years
EDP equipment	5 years
Automotive	5 years
Warehouse equipment	10 years
Printing equipment	8 years
Audio-visual	10 years

## Supply Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990—Concluded

## 3. Changes in financial statements presentation

The 1989 figures have been restated to conform with 1990 presentation requirements.

## 4. Inventories

	1990	1989
	\$	\$
Raw materials and finished goods .....	23,139,797	19,301,085
Work in process .....	1,294,325	1,486,888
	<u>24,434,122</u>	<u>20,787,973</u>

## 5. Net investment in EDP equipment leases

The Treasury Board, on March 2, 1976, authorized the Supply Revolving Fund to purchase designated EDP equipment approved by Treasury Board for client departments. The capital, interest and any other costs are recoverable from departments over a one to five year period under direct financing leasing agreements. Title to the equipment remains with the Supply Revolving Fund until the cost of the equipment is paid in full. Payments by the client departments for the long-term investment in leases are due—\$1,809,808 in 1991-92, \$1,661,641 in 1992-93, \$1,143,522 in 1993-94 and \$250,009 in 1994-95.

## 6. (a) Fixed assets and accumulated depreciation

Depreciation in the amount of \$2,321,491 in 1990 and \$2,287,467 in 1989 has been included in the cost of sales in the statement of operations.

Fixed assets	Balance at beginning of year	Acquisi- tions	Disposals	Balance at end of year

## (b) Leasehold improvements and amortization

	Balance at beginning of year	Purchases	Amortiza- tion	Balance at end of year
	\$	\$	\$	\$
Leasehold improve- ments .....	7,112,004	853,728		7,965,732
Amortization .....	4,561,802		378,436	4,940,238
	<u>2,550,202</u>	<u>853,728</u>	<u>378,436</u>	<u>3,025,494</u>

## 7. Sales and cost of sales

For consolidation purposes, internal sales and cost of sales in the amount of \$35,210,619 (\$25,250,014 in 1989) have been eliminated.

## 8. Deferred acquisition contract fees

In accordance with the revised Department's policy on smoothing revenue for certain types of contracts as detailed in 2(a)(i), the value of deferred acquisition fees on uncompleted contracting work as at March 31, 1990 amounted to \$9,799,001 (\$10,950,546 in 1989).

## 9. Employee benefits liability

The unaccrued liability for employee benefits consists of termination benefits and vacation pay.

	1990	1989
	\$	\$
Termination benefits .....	35,232,057	27,553,980
Vacation pay .....	8,067,032	5,831,338
	<u>43,299,089</u>	<u>33,385,318</u>

## 10. Insurance

The Supply Revolving Fund does not carry insurance on either its own property or the property of others held in its warehousing operations. This is in accordance with the Government's policy of self-insurance.

## FINANCIAL STATEMENTS OF DEPARTMENTAL CORPORATIONS

### Agricultural Stabilization Board

#### MANAGEMENT REPORT

In connection with the recording of financial transactions in the Accounts of Canada and the reporting of financial information to be included in the Public Accounts, relating to the Agricultural Stabilization Board for the year ended March 31, 1990, we make the following representations, based on the best of our knowledge and belief.

We have prepared the accompanying statement of use of parliamentary appropriations of the Agricultural Stabilization Board in accordance with the reporting requirements and standards of the Government of Canada for reporting expenditures against available revenue. The responsibility for the integrity and objectivity of data in this financial statement rests with the Board.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with the audited financial statement of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the Board maintains a set of accounts which provides a centralized record of its financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in this financial statement.

This financial statement has been examined by the Auditor General of Canada, his role being to express an informed opinion as to whether the Board's financial statement presents fairly, in conformity with stated accounting policies, the Board's use of parliamentary appropriations.

The Board maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Board's assets. Financial management and internal control systems are augmented by periodic internal audits. The Board also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

#### AUDITOR'S REPORT

##### TO THE MINISTER OF AGRICULTURE

I have examined the statement of use of parliamentary appropriations by the Agricultural Stabilization Board for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this statement presents fairly the use of parliamentary appropriations by the Board for the year ended March 31, 1990 in accordance with accounting policies set out in Note 2 to the statement applied on a basis consistent with that of the preceding year.

Further, in my opinion, the transactions of the Board that have come to my notice during my examination of the statement have, in all significant respects, been in accordance with the Appropriation Acts for the year ended March 31, 1990, the Financial Administration Act and regulations and the Agricultural Stabilization Act.

D. Larry Meyers, F.C.A.

**NOTES TO THE STATEMENT OF USE OF  
PARLIAMENTARY APPROPRIATIONS  
MARCH 31, 1990**

**1. Authority and objectives of the Board and purpose of the statement**

The Board, which was established in 1958 and operates under the authority of the Agricultural Stabilization Act (the "Act"), consists of three members appointed by the Governor in Council. It is a departmental corporation named in Schedule II of the Financial Administration Act.

The objectives of the Board are to stabilize the prices of agricultural commodities in order to assist the agricultural industry to realize fair returns for its labour and investment and to maintain a fair relationship between prices received by farmers and the costs of goods and services that they buy.

The purpose of the statement of use of parliamentary appropriations is to present the use of appropriations by the Board for purposes of the Act in accordance with accounting policies described in Note 2. These policies are consistent with the stated accounting policies of the Government of Canada for reporting expenditures against available authority. The statement is not intended to present the results of the Board's operations based on agricultural conditions during the year. This would require that consideration be given to adopting accounting policies on a full accrual basis.

Contributions for named commodities pursuant to the minimum provisions of the Act and for commodities covered by National Tripartite Stabilization Program agreements established pursuant to the Act are funded through a statutory authority. The Board's operating and capital expenditures, and all other contributions pursuant to provisions of the Act are funded by budgetary lapsing authorities.

**2. Significant accounting policies**

**(a) Expenditure recognition**

Contributions funded by a statutory authority are recorded on the cash basis. Operating and capital expenditures and all other contributions are recorded on a cash basis, except that disbursements after the year-end are accrued in accordance with the Government of Canada accounting policy for recording Payables at Year-End.

**(b) Refunds of previous years' expenditures**

Refunds of previous years' statutory expenditures are deducted from statutory contributions (included in this statement) when received. Refunds of previous years' annually voted expenditures are not included in this statement.

## Atomic Energy Control Board

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Atomic Energy Control Board (AECB) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the AECB.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the AECB maintains a set of accounts which provides a centralized record of the AECB's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The AECB Administration Directorate develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The AECB maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the AECB's assets. The AECB also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Deputy Auditor General, his role being to express an informed opinion as to whether the AECB's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the AECB's financial transactions.

### AUDITOR'S REPORT

TO THE ATOMIC ENERGY CONTROL BOARD  
AND THE  
MINISTER OF ENERGY, MINES AND RESOURCES

I have examined the statement of operations of the Atomic Energy Control Board for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of the operations of the Board for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

D. Larry Meyers, F.C.A.

*Deputy Auditor General*

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990

## 1. Authority and purpose

The Atomic Energy Control Board (AECB) was established in 1946, by the Atomic Energy Control Act. It is a departmental corporation named in Schedule II to the Financial Administration Act and currently reports to Parliament through the Minister of Energy, Mines and Resources.

The objective of the AECB is to control nuclear energy in the interests of health, safety and national security. The AECB achieves this objective by controlling the development, application and use of nuclear energy in Canada, and by participating on behalf of Canada in international measures of control.

The AECB administers the Nuclear Liability Act, including designating nuclear installations and prescribing basic insurance to be carried by the operators of such nuclear installations, and the administration of supplementary insurance coverage premiums for these installations. The sum of the basic insurance and supplementary insurance totals \$75 million for each designated installation (see Note 8). The number of installations requiring insurance coverage is 15.

The AECB's grants and contributions, operating and administration expenditure is funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

## 2. Significant accounting policies

The statement of operations has been prepared using the following accounting policies:

## (a) Expenditure recognition

All expenditure is recorded on the accrual basis, in accordance with the Government's accounting policy, with the exception of employee termination benefits and vacation pay which are recorded on the cash basis.

## (b) Revenue recognition

Revenue is recorded on the cash basis in accordance with the Government's accounting policies.

## (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (d) Services provided without charge

Estimates of amounts for services provided without charge by Government departments are included in expenditures.

## (e) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

## (f) Contributions to superannuation plan

AECB employees participate in the superannuation plan administered by the Government of Canada and contribute equally with the AECB to the cost of the plan. Contributions by the AECB are charged to expenditure when disbursed.

## Atomic Energy Control Board—Continued

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990—Concluded

## 3. Parliamentary appropriations

	1990	1989
	\$	\$
Energy, Mines and Resources		
Vote 40 .....	26,891,000	22,921,000
Lapsed .....	526,841	299,362
	26,364,159	22,621,638
Statutory contributions to employee benefit plans .....	2,178,000	2,182,000
Total appropriations used .....	28,542,159	24,803,638
Add: services provided without charge by other Government departments ..	1,916,309	1,714,304
Less: non-tax revenue .....	63,149	9,594
Net cost of operations .....	30,395,319	26,508,348

## 4. Liabilities

At year end the amounts of liabilities are as follows:

	1990	1989
	\$	\$
(a) Accounts payable		
Payables at Year End .....	2,001,150	1,765,218
Payments on due date .....	1,985,692	1,070,524
Contractors holdbacks .....	220,274	189,604
	4,207,116	3,025,346
Salaries payable .....	15,034	3,058
	4,222,150	3,028,404

The costs represented by the accounts and salaries payable are reflected in the statement of operations.

	1990	1989
	\$	\$
(b) Other liabilities		
Vacation pay .....	1,218,877	1,046,955
Employee termination benefits .....	1,671,648	1,596,500
	2,890,525	2,643,455

The costs associated with other liabilities are not included in the statement of operations. These costs are recognized only when paid (see Note 2(a)).

The vacation pay represents the amount of vacation pay credits outstanding at the end of the year.

The employee termination benefits are calculated on the basis of one half week's pay for each complete year of continuous service to a maximum of 13 weeks' pay.

## 5. Capital lease

The AECB entered into a five-year lease agreement for a computer system effective May 1, 1984. The system was valued at \$298,959 using an implicit interest rate of 12.5%. The obligation was liquidated this year and the Board decided to exercise its purchase option. Lease and purchase payments during 1990 totalled \$40,926 (1989—\$79,200), including interest of \$14,782 (1989—\$10,151) charged to operations.

The AECB amended the agreement to enhance the system effective August 1, 1986. The additional 33-month equipment lease was valued at \$102,112 using an implicit interest rate of 10.0%. The obligation was liquidated this year and the Board decided to exercise its purchase option. Lease and purchase payments during 1990 totalled \$17,042 (1989—\$40,988), including interest of \$2,969 (1989—\$4,291) charged to operations.

## 6. Contingent liabilities

At March 31, 1990, the AECB was defendant in lawsuits amounting to \$600,000 (1989—\$600,000). The lawsuits are seeking damages for breach of statutory duties related to radioactively contaminated soil. Any settlement resulting from the resolution of these actions will be paid from the Consolidated Revenue Fund.

## 7. Related party transactions

AECB administers a special program jointly with Atomic Energy of Canada Limited (AECL) for research and development in support of the safeguards program of the International Atomic Energy Agency. For 1990, AECL charged \$1,150,000 (1989—\$400,000) to this program.

## 8. Nuclear liability reinsurance account

Under Section 17 of the Nuclear Liability Act, all premiums paid by the operators of nuclear installations for supplementary insurance coverage are credited to a Nuclear Liability Reinsurance Account. The Account forms part of the Consolidated Revenue Fund. Any claims against the supplementary insurance coverage are payable out of the Consolidated Revenue Fund and charged to the Account. There have been no claims against or payments out of the Nuclear Liability Reinsurance Account since its creation. The balance of the Nuclear Liability Reinsurance Account as at March 31, 1990 is \$534,021 (1989—\$532,567).

The supplementary insurance coverage provided by the Government of Canada under the Nuclear Liability Act, as of March 31, 1990 is \$664,500,000 (1989—\$664,500,000). Insurance coverage, by the Government of Canada, also includes a class of risks excluded as a liability of the principal insurers.

## Canada Employment and Immigration Commission

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canada Employment and Immigration Commission (CEIC) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of CEIC. In order to assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the Senior Management of CEIC.

These financial statements were prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the CEIC maintains a set of accounts which provides a centralized record of the CEIC financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

Financial services develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The CEIC maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard CEIC assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. CEIC also seeks to assure the objectivity and integrity of data in these financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

# Canada Employment and Immigration Commission— Continued

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1990

### 1. Authority and objectives

The Canada Employment and Immigration Commission was established under Section 7 of the Employment and Immigration Reorganization Act, 1977 and is a departmental corporation named in Schedule II to the Financial Administration Act. All the Commission's operating and contributions and grants expenditures are funded by budgetary lapsing authorities whereas employee benefits, annuities agents supplementary retirement benefits and the Government's contributions to the Unemployment Insurance Account and in respect of fishermen's benefits are authorized by statutory authorities. The Commission is divided into three program areas and their objectives are as follows:

**Corporate and Special Services Program**—To ensure the development and implementation of policies and programs, to provide strategic, operational and administrative support to enable Employment and Immigration Canada to carry out its mission, and to provide for such other functions allocated to it.

**Employment and Insurance Program**—To further the attainment of national, economic and social goals by realizing the full productive potential of Canada's human resources, while supporting the initiatives of individuals self-fulfilment through work.

**Immigration Program**—To administer the admission of immigrants and visitors in accordance with the economic, social, humanitarian and cultural interests of Canada.

Loans to immigrants and other classes of persons for the purpose of paying the costs of admission, transportation and reasonable living expenses are made under a non-budgetary statutory authority advanced by the Minister of Finance pursuant to the Immigration Act, Section 119. The total amount of loans outstanding shall not, at any time, exceed \$90,000,000.

### 2. Significant accounting policies

The statement of operations was prepared using the following accounting policies:

- (i) Expenditure is recorded for all goods and services received and/or performed up to March 31, in accordance with the Government's Payables at Year End accounting policy, with the exception of termination benefits and vacation pay.
- (ii) Revenue is recorded on a cash basis in accordance with the Government's accounting policies.
- (iii) Acquisitions of capital assets are charged to operating expenditure in the year the expenditure is incurred.
- (iv) Estimated amounts for services provided without charge from other Government departments are disclosed in the statement of operations.
- (v) Refunds of previous years' expenditures are recorded as revenue when received and are not deducted from expenditure.

### 5. Trust funds and specified purpose accounts

The Canada Employment and Immigration Commission also has the responsibility to administer and control the following trust funds and specified purpose accounts.

#### (a) Unemployment Insurance Account

The Unemployment Insurance Act provides for a compulsory contributory Unemployment Insurance Program applying to all employees, subject to minor exceptions.

The Act authorizes an account in the Accounts of Canada to be known as the Unemployment Insurance Account.

The Act provides for the following to be credited to the Account: (a) premiums, penalties and interest; (b) the Government's share of benefits paid; (c) refunds of overpayments of benefits, and benefit repayments; (d) amounts for services rendered to other Government departments or agencies, or to the public; (e) amounts provided for any other purpose related to unemployment insurance and authorized by an appropriation administered by the Canada Employment and Immigration Commission; and (f) interest on the balance of the account at such rates as the Minister of Finance may authorize. The Act also provides that the following be charged to the account: (a) benefits paid under the Act; (b) the costs of administering the Act; and (c) the interest on advances made by the Minister of Finance.

Balance as at March 31 (deficit) <sup>(2)</sup> .....	971	(27)

<sup>(1)</sup> Fishermen's benefits in the amount of \$268 million (1989—\$261 million), the related Government contribution of \$251 million (1989—\$240 million) and the fishermen's premiums of \$17 million (1989—\$21 million) are included in the statement.

<sup>(2)</sup> No interest bearing loans under Section 137(1) of the Unemployment Insurance Act (1989 no interest bearing loans) were made to the Unemployment Insurance Account. The net balance as at March 31, 1990 is of \$971 million (1989—\$27 million).

#### (b) Government Annuities Account

This account was established by the Government Annuities Act, and modified by the Government Annuities Improvement Act, which discontinued sales of annuities. The account is valued on an actuarial basis each year, with the deficit or surplus charged or credited to the Consolidated Revenue Fund. The accounts of the Government Annuities Account are maintained on an accrual basis.

The purpose of the Government Annuities Act was to assist Canadians to provide for their later years, by the purchase of Government annuities. The Government Annuities Improvement Act increased the rate of return and flexibility of Government annuity contracts, and discontinued sales of annuities.

Receipts and other credits consist of premiums received, funds reclaimed from the Consolidated Revenue Fund for previously unlocated annuitants, earned interest and items transferred from previous years' revenue to cover the actuarial deficit. Payments and other charges represent matured annuities, the commuted value of death benefits, premium refunds and withdrawals, and actuarial surpluses and unclaimed items transferred to non-tax revenue. The amounts of unclaimed annuities, related to annuitants who cannot be located, are transferred to non-tax revenue.

#### 6. Loans, investments and advances

##### Assisted Passage Scheme—Employment and Immigration

Section 119 of the Immigration Act authorizes the making of loans to immigrants and other such classes of persons.

The total amount authorized to be outstanding at any time is \$90,000,000.

The terms and conditions of the loans, with their year-end balances, are as follows:

- (a) repayable by monthly instalments over 1 to 5 years with a possible deferment of 2 years, bearing interest at rates from 6% to 15% per annum, with final instalments between April 1, 1990 and April 1, 1995, balance at year-end \$5,422,356; and,

# Canada Employment and Immigration Commission— Continued

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1990—Continued

- (b) repayable by monthly instalments over 1 to 5 years with a possible deferment of 2 years, non-interest bearing, with final instalments between April 1, 1990 and April 1, 1995 at year-end \$83,643,209.

# Canadian Aviation Safety Board

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Aviation Safety Board (CASB) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with management.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the CASB maintained a set of accounts which provided a centralized record of its financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in the statement of operations, unless indicated otherwise.

The CASB's administration branch developed and disseminated financial management and accounting policies, and issued directives which maintained standards of accounting and financial management. The CASB maintained systems of financial management and internal control. Transactions were executed in accordance with prescribed regulations, within parliamentary authorities, and were properly recorded to maintain accountability of Government funds and safeguard its assets. The CASB also sought to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provided appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities were understood throughout the organization.

The financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the CASB's financial transactions.

## AUDITOR'S REPORT

TO THE CANADIAN AVIATION SAFETY BOARD  
AND THE  
MINISTER OF TRANSPORT

I have examined the statement of operations of the Canadian Aviation Safety Board for the year ended March 28, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of operations of the Board for the year ended March 28, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

Raymond Dubois, F.C.A.  
Deputy Auditor General

K. J. THORNEYCROFT  
ChairmanKEN JOHNSON  
Executive DirectorNOTES TO THE STATEMENT OF OPERATIONS  
MARCH 28, 1990

## 1. Authority and objective

The Canadian Aviation Safety Board was established in 1984 under the Canadian Aviation Safety Board Act and was a departmental corporation named in Schedule II to the Financial Administration Act. The objective of the Board was to advance aviation safety by: identifying safety deficiencies as evidenced by aviation occurrences; conducting independent investigations and, if necessary, public inquiries into aviation occurrences in order to make findings as to their contributing factors and causes; and reporting publicly on its investigations and public inquiries and on the findings in relation thereto and by making recommendations designed to eliminate or reduce safety deficiencies. The Board's expenditure was funded by a budgetary lapsing authority.

The Canadian Transportation Accident Investigation and Safety Board Act, Bill C-2, was proclaimed on March 29, 1990 and consequently the Canadian Aviation Safety Board Act has been repealed and the Canadian Aviation Safety Board ceased to exist as of March 28, 1990.

## 2. Significant accounting policies

The statement of operations has been prepared using the following accounting policies:

## (a) Expenditure recognition

All expenditure was recorded on the accrual basis, in accordance with the Government's accounting policy, with the exception of termination benefits and vacation pay which were recorded on the cash basis.

## (b) Revenue recognition

Revenue was recorded on the cash basis in accordance with the Government's accounting policies.

## (c) Refunds of previous years' expenditure

Refunds of previous years' expenditure were recorded as revenue when received and were not deducted from expenditure.

## (d) Capital purchases

Acquisitions of capital assets were charged to operating expenditure in the year of purchase.

## (e) Services provided without charge by Government departments

Estimates of amounts for services provided without charge by Government departments were included in expenditures.

## 3. Parliamentary appropriation

Labour Canada (administration of workers' compensation) .....	4,201	3,303
	<u>2,069,041</u>	<u>2,099,480</u>

## 5. Contingent liabilities

Four claims totalling \$13,470,000 have been filed naming the Canadian Aviation Safety Board as one of the defendants; these claims all relate to the accident which is still being investigated by the Commission of Inquiry into the Air Ontario Crash at Dryden, Ontario. It is the opinion of management that these actions, with respect to the allegations against the Board, will not result in any material liabilities to the Crown. Should there be any settlements related to these actions they would be paid out of the Consolidated Revenue Fund even though the Canadian Aviation Safety Board no longer exists.

## 6. Wind-up costs and termination benefits

The Canadian Aviation Safety Board employees and the responsibility for paying employee termination benefit liabilities have been transferred to the Canadian Transportation Accident Investigation and Safety Board effective March 29, 1990. Wind-up costs and any settlements related to the termination of appointments of Board members associated with the Canadian Aviation Safety Board are to be paid from the appropriation allocated to the Minister of Transport.

## Canadian Centre for Occupational Health and Safety

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Centre for Occupational Health and Safety in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Centre. In order to assure maximum objectivity and freedom from bias, the financial data contained in this financial statement has been examined by the Audit Committee of the Centre.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Centre maintains a set of accounts which provides a centralized record of the Centre's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Centre's directorate of financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Centre maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Centre's assets. The Centre also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the Centre's financial statement, considered in its entirety, presents fairly, in accordance with stated accounting policies, the Centre's financial transactions.

### AUDITOR'S REPORT

TO THE COUNCIL OF THE CANADIAN CENTRE FOR  
OCCUPATIONAL HEALTH AND SAFETY  
AND THE  
MINISTER OF LABOUR

I have examined the statement of operations of the Canadian Centre for Occupational Health and Safety for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of operations of the Centre for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

## **NOTES TO THE STATEMENT OF OPERATIONS** **MARCH 31, 1990**

### **1. Authority and purpose**

The Centre was established in 1978 under the Canadian Centre for Occupational Health and Safety Act and is a departmental corporation named in Schedule II to the Financial Administration Act. The objectives of the Centre are to promote the right of Canadians to a healthy and safe working environment and to enhance the physical and mental health of workers. The Centre's operating expenditure is funded in part by its operating revenue and by a budgetary lapsing authority.

### **2. Significant accounting policies**

The statement of operations has been prepared using the following accounting policies:

#### **(a) Expenditure recognition**

All expenditure is recorded on the accrual basis in accordance with the Government's accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

#### **(b) Revenue recognition**

Revenue is recorded on the cash basis in accordance with the Government's accounting policies.

#### **(c) Capital purchases**

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

#### **(d) Services provided without charge by Government departments**

Estimates of amounts of services provided without charge by Government departments are included in expenditures.

#### **(e) Pension plan**

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Centre contribute equally to the cost of the Plan. The Centre's contributions are charged to expenditure on a current basis.

## Canadian Centre for Occupational Health and Safety

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Centre for Occupational Health and Safety in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Centre. In order to assure maximum objectivity and freedom from bias, the financial data contained in this financial statement has been examined by the Audit Committee of the Centre.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Centre maintains a set of accounts which provides a centralized record of the Centre's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Centre's directorate of financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Centre maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Centre's assets. The Centre also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the Centre's financial statement, considered in its entirety, presents fairly, in accordance with stated accounting policies, the Centre's financial transactions.

### 7. Donations

In accordance with Section 5(4) of its Act, the Centre received during the year \$5,065 in donations, bringing the total to \$6,025 at March 31, 1990. These funds are carried forward in a special account in the Consolidated Revenue Fund which does not lapse.

### 8. Comparative figures

The 1989 comparative figures have been reclassified to conform to the presentation adopted in 1990.

**Director of Soldier Settlement**

DIRECTOR OF SOLDIER SETTLEMENT IS A DEPARTMENTAL CORPORATION NAMED IN SCHEDULE II TO THE FINANCIAL ADMINISTRATION ACT. NO REVENUE AND EXPENDITURE HAVE BEEN INCURRED IN THIS FISCAL PERIOD AND AS A RESULT, NO FINANCIAL STATEMENTS HAVE BEEN PRODUCED FOR THE PUBLIC ACCOUNTS.

## Economic Council of Canada

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Economic Council of Canada in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the Chief executive officer of the Council.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. All previous year figures have been reclassified to conform to the current year's presentation. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement.

The Council's financial services division develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial control. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by an internal audit function, established in compliance with the Treasury Board/Office of the Comptroller General standards for internal audit in the Government of Canada. The Council also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions for the year ended March 31, 1990.

The accounting system and financial statement of the Council have evolved over the years to meet changing conditions and reporting requirements, both internal and external. With an internal computerized financial reporting and control system, the Council has realized achievements in more accurately forecasting the cost of future initiatives and in the provision of financial information for decision-making purposes.

*Director, Finance and Administration***NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990****1. Authority and purpose**

The Council was established in 1963 by the Economic Council of Canada Act and is a departmental corporation named in Schedule II of the Financial Administration Act.

The objective of the Council is to advise and recommend to the Prime Minister how Canada can achieve the highest possible levels of employment and efficient production in order that the country may enjoy a high and consistent rate of economic growth and that all Canadians may share in rising living standards.

The Council's operating expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by statutory authorities.

**2. Significant accounting policies**

The statement of operations has been prepared using the following accounting policies:

**(a) Expenditure recognition**

All expenditure is recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

**(b) Revenue recognition**

Revenue is recorded on the cash receipts basis in accordance with the Government's accounting policies.

**(c) Capital purchases**

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

**(d) Services provided without charge**

Estimates of amounts for services provided without charge from Government departments are included in expenditures.

## Fisheries Prices Support Board

### MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Fisheries Prices Support Board in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Board.

These financial statements were prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Board maintains a set of accounts which provides a centralized record of the Board's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with these financial statements, unless indicated otherwise.

The Board's financial service group develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Board maintains systems of financial management and internal control at appropriate costs. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Board's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Board also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements have not been examined by the Auditor General. The Auditor General has however, examined financial statements of the Board prepared on an accrual basis of accounting and has expressed the opinion that such financial statements present fairly, in conformity with stated accounting policies, the Board's financial position as at March 31, 1990.

### NOTES TO FINANCIAL STATEMENTS MARCH 31, 1990

#### 1. Authority, objectives and operations

The Board was established in 1944 under the Fisheries Prices Support Act and is a departmental corporation named in Schedule II to the Financial Administration Act. As authorized by the Governor in Council, the Board is empowered to purchase fishery products for its own account and to make deficiency payments to producers of such products. The Act requires that the Board, in establishing purchase prices and in determining the rate at which deficiency payments are to be made, endeavour to secure a fair relationship between the returns from fisheries and those from other occupations. The Board operates through offices of the Department of Fisheries and Oceans, with departmental staff performing certain functions of the Board. Funding of Board operations is done under lapsing authority from Parliament.

#### 2. Significant accounting policies

The financial statements have been prepared using the following accounting policies:

##### (a) Expenditure recognition

All expenditure is recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

Fisheries Prices Support Board—Continued

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1990—Concluded

(b) Revenue recognition

Revenue is recorded on the cash receipts basis in accordance with the Government's accounting policies.

(c) Estimates of amounts for services provided without charge from Government departments are included in expenditures.

(d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

3. Canned mackerel program

In 1989-90, the Board's only activity was to act as an agent for the procurement of canned mackerel. This program was funded in its entirety by way of an advance from the Canadian International Development Agency (CIDA). CIDA provided an advance of \$3,500,000 (\$4,000,000 in 1988-89), the Board paid \$2,479,534 (\$3,365,149 in 1988-89) for the acquisition, storage and delivery of the mackerel, and the balance of \$1,020,466 (\$634,851 in 1988-89) was returned to CIDA.

Due to the nature of this agency relationship with CIDA, the Board carried out the transactions on CIDA's behalf and for CIDA's use and thus, did not hold lawful possession of the goods. As such, no sales, cost of goods sold or warehousing and handling transactions are recognized in the March 31, 1990 statement of operations in relation to this agency arrangement with CIDA.

4. Administrative services provided without charge by the Department of Fisheries and Oceans

**Fisheries Prices Support Board—Continued****AUDITOR'S REPORT**

TO THE FISHERIES PRICES SUPPORT BOARD  
AND THE  
MINISTER OF FISHERIES AND OCEANS

I have examined the balance sheet of the Fisheries Prices Support Board as at March 31, 1990 and the statements of operations and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Board as at March 31, 1990 and the results of its operations and the changes in its financial position for the year then ended in accordance with the accounting policies set out in Note 2 to the financial statements applied on a basis consistent with that of the preceding year.

D. Larry Meyers, F.C.A.

## NOTES TO FINANCIAL STATEMENTS

MARCH 31, 1990

## 1. Authority, objectives and operations

The Board was established in 1944 under the Fisheries Prices Support Act and is a departmental corporation named in Schedule II to the Financial Administration Act. As authorized by the Governor in Council, the Board is empowered to purchase fishery products for its own account and to make deficiency payments to producers of such products. The Act requires that the Board, in establishing purchase prices and in determining the rate at which deficiency payments are to be made, endeavour to secure a fair relationship between the returns from fisheries and those from other occupations. The Board operates through offices of the Department of Fisheries and Oceans, with departmental staff performing certain functions of the Board.

## 2. Accounting policies

The Board follows the accrual basis of accounting.

Administrative services provided without charge by the Department of Fisheries and Oceans are included in the cost of operations.

## 3. Canned mackerel program

In 1989-90, the Board's only activity was to act as an agent for the procurement of canned mackerel. This program was funded in its entirety by way of an advance from the Canadian International Development Agency (CIDA). CIDA provided an advance of \$3,500,000 (\$4,000,000 in 1988-89), the Board paid \$2,479,534 (\$3,365,149 in 1988-89) for the acquisition, storage and delivery of the mackerel, and the balance of \$1,020,466 (\$634,851 in 1988-89) was returned to CIDA.

Due to the nature of this agency relationship with CIDA, the Board carried out the transactions on CIDA's behalf and for CIDA's use and thus, did not hold lawful possession of the goods. As such, no revenues and expenses are recognized in the March 31, 1990 statement of operations in relation to this agency arrangement with CIDA.

The Board has agreed to act as an agent for CIDA again in 1990-91.

## Medical Research Council

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Medical Research Council in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Council.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in this financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Council maintains a set of accounts which provides a detailed record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Council's Corporate Management Branch develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. The Council also seeks to assure the objectivity and integrity of data in this financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

### AUDITOR'S REPORT

TO THE MEDICAL RESEARCH COUNCIL  
AND THE  
MINISTER OF NATIONAL HEALTH AND WELFARE

I have examined the statement of operations of the Medical Research Council for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of operations of the Council for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

MARCH 31, 1990

## 1. Authority and purpose

The Medical Research Council was established in 1969 by the Medical Research Council Act and is a departmental corporation named in Schedule II to the Financial Administration Act. The objective of the Council is to help attain the quality and scale of research in the health sciences essential to the maintenance and improvement of health services. The Council's operating and grants expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

## 2. Significant accounting policies

The financial statement has been prepared using the following accounting policies:

## (a) Expenditure recognition

Grants and scholarships are charged to expenditure when disbursed. All operating expenditure is recorded on the accrual basis, with the exception of termination benefits and vacation pay which are recorded on the cash basis. This practice is in accordance with the Government's accounting policy.

## (b) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (c) Services provided without charge by Government departments

Estimates of amounts for services provided without charge by Government departments are included in expenditure.

## (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

## (e) Contributions to the Public Service Superannuation Plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Council contribute equally to the cost of the Plan. Contributions by the Council are charged to expenditure on a current basis.

## 3. Parliamentary appropriations

**Medical Research Council—Continued****NOTES TO THE STATEMENT OF OPERATIONS**  
**MARCH 31, 1990—Continued****4. Trust funds**

As provided for in Section 4(3) of the Medical Research Council Act, the Council administers a number of trust funds separately from its activities funded through parliamentary appropriations. The purpose and accounting for these funds is described below. The balance of these funds is represented by deposit with the Receiver General for Canada.

- (a) In 1974, the Council received \$75,000 from an anonymous donor to establish a fund. The interest received is used for the payment of grants for research in the fields of dyskinesia and torticollis. Other donations received in prior years not earmarked for specific projects have also been credited to this Fund.
- (b) In 1985, the Council received a distinguished award entitled "The St. Boniface General Hospital Research Foundation Award" which included an amount of \$20,000. In recognition of the importance of the award, the Council,

in agreement with the Foundation, decided to use the monetary portion of the award to establish a trust fund from which it could provide summer research scholarships to encourage graduate high school students, first year pre-med students and first and second year medical students to become involved in biomedical research. These awards are called "Farquharson Research Scholarships".

- (c) In February 1986 the Federal Government announced, as part of a new "Matching Policy", that private sector contributors who wish to provide funds for medical research can channel their money either through universities or through the Medical Research Council. When the Council receives such monies, they must be placed in trust and disbursed in accordance with agreements between the contributor and the Council.

The transactions relating to these three funds are as follows:

	Dyskinesia and torticollis		Farquharson Research Scholarships		Donations for research	
	1990	1989	1990	1989	1990	1989

## 6. Travel

Expenditure for travel charged to operations is related to the peer review process and was incurred by the members of 26 grant committees, 10 award committees and the staff of the Council to meet, assess and rate grant and award applications. In addition, travel expenditure incurred by the Council, its executive and standing committees and other non-staff advisory personnel is also charged to operations.

Expenditure for travel charged to administration is for the general support of the Council's administrative activities and includes meetings of ad hoc advisory groups established to study specific issues for the Council. Details are as follows:

	1990	1989
	(in thousands of dollars)	
Operations:

THE AUDITED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 1990 WAS  
NOT AVAILABLE AT DATE OF PRINTING.

## National Research Council of Canada

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the National Research Council of Canada in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Corporation.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in this financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the Corporation maintains a set of accounts which provides a centralized record of the Corporation's financial transactions. Financial information contained in the departmental statements and elsewhere in the Public Accounts is consistent with that in the financial statement, unless indicated otherwise.

The Corporation's finance branch develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Corporation maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and to safeguard the Corporation's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Corporation also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The Corporation's accounting and reporting systems are under constant review and upgrading. The Finance Branch has taken advantage of the latest in computer technology to develop a Council wide "End User Reporting System" and a comprehensive "Physical Assets Management System". The asset system offers the Council better control and tracking of its assets and both systems provide for flexible and timely management reports.

The Corporation is continuing with its many cash management initiatives. Extensive use is being made of travel cards, travellers cheques and other cost cutting measures such as discount fares and frequent flyer programs. The Council is also using credit cards as a means of making small purchases and has established a Cost Accounting Unit to assist management in matters of revenue generation, fee setting, costing and contracting-in.

**NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990****1. Authority and purpose**

The National Research Council of Canada was established under the National Research Council Act 1966-67 and is a departmental corporation named in Schedule II to the Financial Administration Act. The objectives of the Council are to create, acquire and promote the application of scientific and engineering knowledge to meet Canadian needs for economic, regional and social development and to promote and provide for the use of scientific and technical information by the people and Government of Canada to meet Canadian needs for economic, regional and social development. The Council's operating, capital and grant expenditures are funded through budgetary lapsing appropriations and revenue credited to vote. Employee benefits are authorized by a statutory authority.

**2. Significant accounting policies**

The statement of operations has been prepared using the following accounting policies:

**(a) Expenditure recognition**

All expenditure is recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

**(b) Revenue recognition**

Revenue is recorded on a cash receipts basis in accordance with the Government's accounting policies.

**(c) Capital purchases**

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

(d) Estimates of amounts for services provided without charge from Government departments are included in expenditures.

**(e) Refunds of previous years' expenditure**

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditures.

## NOTES TO THE STATEMENT OF OPERATIONS

MARCH 31, 1990—Concluded

## 5. Trust accounts

The Council keeps in trust monies received from organizations to cover expenditures made on their behalf.

	1990	1989
	\$	\$
Balance, beginning of year .....	836,046	350,871
Payments made .....	917,903	481,037
Monies received .....	1,738,708	966,212
Balance, end of year .....	1,656,851	836,046

## 6. Contingent liabilities

In connection with its operations the Council is a defendant in certain cases of litigation. It is estimated that pending and threatened litigation amount to \$10,306,992.

## 7. Contractual obligations

The Corporation has commenced capital expenditure programs aggregating \$18,914,000 (\$4,525,000 in 1990-91, \$3,850,000 in 1991-92 and \$4,366,000 in 1992-93) for the modernization and extension to its laboratories and modernization of its equipment. To March 31, 1990 the Corporation has spent \$6,173,000 on the programs. The Corporation has also entered into a contract for the Canadian Space Station Program, Phase C2-B worth \$212,000,000 (\$89,900,000 in 1990-91, \$114,300,000 in 1991-92 and \$7,800,000 in 1992-93).

## Natural Sciences and Engineering Research Council

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Natural Sciences and Engineering Research Council in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Council.

This financial statement was prepared in accordance with the significant accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in this financial statement, unless indicated otherwise.

The Council's Directorate of finance and administration develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Council also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This statement of operations has been examined by the Auditor General, his role being to express an informed opinion as to whether the Council's statement of operations, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

The accounting system and financial statement of the Council have evolved over the years to meet the changes in the structure of the grants and scholarships programs and to give improved reporting and control of expenditures relating to those programs.

### AUDITOR'S REPORT

TO THE NATURAL SCIENCES AND  
ENGINEERING RESEARCH COUNCIL  
AND THE  
MINISTER FOR SCIENCE

I have examined the statement of operations of the Natural Sciences and Engineering Research Council for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of operations of the Council for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1990

### 1. Authority and objective

The Council was established in 1978 by the Natural Sciences and Engineering Research Council Act, and is a departmental corporation named in Schedule II to the Financial Administration Act. Its objective is to promote and support both research and the provision of highly qualified personnel in the natural sciences and engineering. The Council's grants and scholarships and operating expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

### 2. Significant accounting policies

The statement of operations has been prepared using the following accounting policies:

#### (a) Expenditure recognition

Grants, scholarships, termination benefits and vacation pay are recorded on the cash basis. All other expenditure is recorded on the accrual basis, in accordance with the Government's Payables at Year End accounting policy.

#### (b) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

#### (c) Services provided without charge

Estimates of amounts for services provided without charge by Government departments and agencies are included in expenditures.

#### (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure. These funds are remitted to the Receiver General for Canada.

#### (e) Contributions to the Public Service Superannuation Plan

Employees are covered by the Public Service Superannuation Plan administered by the Government of Canada. Contributions to the Plan are required from both the employee and the Council. Contributions with respect to current service are expensed in the current year. Contributions with respect to past service benefits are expensed when paid, generally over the remaining service lives of the employees.

1994-95 .....	8.3	
	810.6	608.4

## 5. Grants, scholarships and other expenditures administered and disbursed for Government departments and agencies and organizations outside the Government

Grants, scholarships and other expenditures administered and disbursed by the Council on behalf of Government departments and agencies and organizations outside the Government, which are not included in the statement of operations, are detailed in Schedule II. Most of these disbursements are made by the Council from lapsing funds entrusted to it by Government departments and agencies.

The Council held in trust for two organizations outside the Government (NATO and AECL) grants and scholarships funds.

## Science Council of Canada

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Science Council of Canada (hereafter called Council) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Council. In order to assure maximum objectivity and freedom from bias, the financial data contained in this financial statement has been examined by the audit and review committee of the Council.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Council's directorate of financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Council also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The statement of operations and the notes have been examined by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

The accounting system and financial statement of the Council have evolved over the years to meet changing conditions. Council is constantly reviewing its policies and practices in order to improve its standards of accounting and financial management.

## Science Council of Canada—Continued

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990

## 1. Authority and objective

The Council was established in 1966 by the Science Council of Canada Act and is a departmental corporation named in Schedule II to the Financial Administration Act. The Council's operating expenditure is funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

The objective of the Council is to assess Canada's scientific and technological requirements, to increase public awareness of these requirements and of the interdependence of various groups in society in the development and use of science and technology, and to advise the Government on the best use of science and technology.

## 2. Accounting policies

## (a) Expenditure recognition

All expenditure is recorded on the accrual basis, in accordance with the Government's accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

## (b) Capital purchases

Acquisitions of office furniture and equipment are charged to expenditure in the year of purchase.

## (c) Contributions to the Public Service Superannuation Plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Council contribute equally to the cost of the Plan. Contributions by the Council are charged to expenditure on a current basis.

## (d) Services provided without charge

Estimated amounts for services provided without charge by Government departments are included in expenditures.

## (e) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as non-tax revenue when received and are not deducted from expenditure. These funds are remitted to the Receiver General for Canada.

## 3. Parliamentary appropriations

Approved by the Council:

LOUISE DANDURAND  
*for the President*MONTAGUE DOYLE  
*Director General, Administration*NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990

## 1. Authority and objective

The Council was established in 1977 by the Social Sciences and Humanities Research Council Act and is a departmental corporation named in Schedule II to the Financial Administration Act. The objective of the Council is to promote and assist research and scholarship in the social sciences and humanities.

The operating and grants expenditures are funded by budgetary lapsing authorities. Employee benefit plans contributions are authorized by a statutory authority.

## 2. Accounting policies

The statement of operations has been prepared using the following accounting policies:

## (a) Expenditure recognition

Grants are charged to expenditure when disbursed. Operating expenditure is recorded on an accrual basis, in accordance with the Government's accounting policy, except for employee termination benefits and vacation pay which are recorded on the cash basis.

## (b) Capital purchases

Acquisition of office furniture and equipment is recorded as operating expenditure in the year of purchase.

## (c) Services provided without charge by other departments

Estimates of amounts for services provided without charge by Government departments are included in operating expenditure.

## (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue and are not deducted from expenditure.

## (e) Pension plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Council contribute equally to the cost of the Plan. Council's contributions are charged to expenditure on a current basis.

## 3. Parliamentary appropriations

Parliamentary appropriations are recorded when used and any amount not used lapses in accordance with Section 44 of the Financial Administration Act.

# Social Sciences and Humanities Research Council— Concluded

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990—Concluded

Appropriations are as follows:

	Grants		Operating expenditure	
	1990	1989	1990	1989
	(in thousands of dollars)			
Secretary of State				
Main Estimates				
Vote 30 (Vote 20 in 1989) .....			5,702	5,255
Vote 35 (Vote 25 in 1989) .....	74,995	66,485		
Supplementary Estimates (C) .....			52	
Transfer—Vote 35 to Vote 30 .....	(415)		415	
Special Governor General's Warrant .....				421
Allotment from Treasury Board—Vote 5 .....		2,775	283	
Contributions to employee benefit plans .....			600	590
	74,580	69,260	7,052	6,266
Amount lapsed .....			(32)	
Total use of appropriations .....	74,580	69,260	7,020	6,266
Add: services provided without charge by Government departments .....			851	831
Deduct: non-tax revenue .....			(670)	(556)
Net cost of operations .....	74,580	69,260	7,201	6,541

## 4. Supplementary information

### (a) Accounts receivable

Accounts receivable from award holders amounting to \$72,320 (1989—\$57,397) are not included in the statement of operations.

### (b) Queen's Fellowship Fund

The Queen's Fellowship Fund consists of \$250,000 which has been deposited in an interest bearing trust account. The interest earned is used for fellowships to graduate students in certain fields of Canadian studies. The operations of the Fund, which are not included in the statement of operations, are as follows:

	1990	1989
	(in thousands of dollars)	
Balance, beginning of year .....	264	271
Add—Interest earned .....	28	23
Deduct—Fellowships paid .....	(32)	(30)
Balance, end of year, represented by deposits in the Consolidated Revenue Fund, in the name of the Council ...	260	264

### (c) Special Trust Fund

This trust fund was established for the receipt and disbursement of private donations for the purpose of special projects in the field of social sciences and humanities research activities. The operations of this special trust fund, which are not included in the statement of operations, are as follows:

	1990	1989
	(in thousands of dollars)	
Balance, beginning of year .....	6	6
Add—Donation received .....	25	13
Deduct—Fellowships paid .....	(25)	(13)
Balance, end of year, represented by deposits in the Consolidated Revenue Fund, in the name of the Council ...	6	6

### (d) Matching grants: incentive payment

The Government's objectives in introducing the matching policy are to increase, in partnership with the private sector, the level of funding for university research, and to encourage stronger research collaboration between the two sectors.

When the matching funds policy was developed, the Social Sciences and Humanities Research Council indicated its intention to pay the universities an incentive based on the matching grants claimed by the Council. For 1989-90 these incentive payments to universities totalled \$498,000 (\$1,075,000 in 1988-89).

## 5. Commitments

Payment of grants and scholarships extending in future years are subject to the provision of funds by Parliament. Future years awards adjudicated prior to March 31, 1990 are payable as follows:

	(in millions of dollars)
1991 .....	72.8
1992 .....	24.5
Subsequent years .....	9.9
	107.2

**The Director, The Veterans' Land Act**

THE DIRECTOR, THE VETERANS' LAND ACT IS A DEPARTMENTAL CORPORATION NAMED IN SCHEDULE II TO THE FINANCIAL ADMINISTRATION ACT. NO REVENUE AND EXPENDITURE HAVE BEEN INCURRED IN THIS FISCAL PERIOD AND AS A RESULT, NO FINANCIAL STATEMENTS HAVE BEEN PRODUCED FOR THE PUBLIC ACCOUNTS.

## The National Battlefields Commission

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of The National Battlefields Commission in accordance with the reporting requirements and standards of the Receiver General for Canada. Management is responsible for the integrity and objectivity of the financial information in this report. The role of the commissioners is to ensure that management fulfills its duty regarding financial information and internal control.

This financial statement was prepared according to the accounting policies set out in Note 2 on a basis consistent with that of the preceding period. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility management maintains a system of internal control to assure that the financial information is reliable and the assets are safeguarded. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in this financial statement, unless indicated otherwise. The Corporation also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The Auditor General performed an audit on the financial statement for the year ended March 31, 1990 according to generally accepted auditing standards, his role being to express an informed opinion to see if the financial statement presents fairly the results of operations of The National Battlefields Commission for this period.

The opinion of the Auditor General is attached.

Approved by:

MICHEL LEULLIER  
Secretary

JACQUES VILLENEUVE

## AUDITOR'S REPORT

TO THE MINISTER OF THE ENVIRONMENT

I have examined the statement of operations of The National Battlefields Commission for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of the operations of the Commission for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the statement of operations applied on a basis consistent with that of the preceding year.

**The National Battlefields Commission—Concluded****NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1990****1. Authority and objectives**

The Commission was established in 1908 under an Act respecting The National Battlefields at Quebec for the purpose of acquiring, preserving and developing an historic battlefields park at Quebec.

The Commission is a departmental corporation named in Schedule II to the Financial Administration Act.

**2. Significant accounting policies**

The statement of operations has been prepared in accordance with the following accounting policies:

- (a) Expenditures are recorded on an accrual basis, except for employee termination benefits and annual leaves which are accounted for when paid.
- (b) Acquisitions of fixed assets, supplies and small tools are charged to operating expenditures in the year of purchase.
- (c) Expenditures include estimated amounts for services provided without charge by a Government department and for contributions to employee benefit plans funded by the statutory vote of the Parks Canada Program.
- (d) Revenues are recorded on a cash basis.
- (e) Contributions to the superannuation plan administered by the Government of Canada, in respect of current and admissible past services, are charged to expenditures when paid. All employees of the Commission participate in this plan. The employees and the Commission contribute equally to the cost of the plan. The contributions represent the total liability of the Commission under the plan.

**3. Parliamentary appropriation**

	1990	1989
	\$	\$
National Battlefields Commission—		
Operating expenditures		
Vote 30 .....	1,829,000	1,765,000
Lapsed .....		(20,169)
Use of appropriation .....	1,829,000	1,744,831
Add: contributions to employee benefit plans funded by the statutory vote of the Parks Canada Program .....	150,000	136,000
services provided without charge by a Government department .....	4,800	4,600
Less: non-tax revenues .....	(37,966)	(18,714)
Net cost of operations .....	1,945,834	1,866,717

**4. Supplies inventory**

As at March 31, 1990, the supplies inventory held by the Commission was valued at \$37,517 (\$39,209 as at March 31, 1989). The value of the inventory has been established using the weighted average cost method.

**5. Fixed assets**

The cost of fixed assets under the responsibility of the Commission is as follows:

	March 31, 1989	Additions	Disposals	March 31, 1990
	\$	\$	\$	\$
Land .....	724,710			724,710
Roadways, driveways and landscaping .....	1,126,474	25,961		1,152,435
Buildings .....	379,748	4,132		383,880
Equipment .....	1,035,086	58,690	30,961	1,062,815
	3,266,018	88,783	30,961	3,323,840

**6. Special land and historical object purchase fund**

Funds have been received from provincial and municipal governments and other administrations for the purpose of acquiring certain land and historical objects. These funds, together with revenue earned from the investment of such funds, are recorded in a special fund. As at March 31, 1990, the balance of this special fund amounts to \$171,434 (\$154,483 as at March 31, 1989) and is on deposit with the Receiver General for Canada. Interest earned during the year then ended amounted to \$16,951 (\$12,566 in 1989).

**7. Contractual obligation**

In the course of its activities, the Commission entered into a maintenance contract. The related payments for 1990-91, the renewal option year, amount to \$130,000.

**8. Contingent liabilities**

In connection with its operations, the Commission is the defendant in certain pending claims and lawsuits. It is the opinion of management that these actions will not result in any material liabilities to the Commission.

# Board of Trustees of the Queen Elizabeth II Canadian Fund to aid in Research on the Diseases of Children

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Board in accordance with stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Board maintains a set of accounts which provides a centralized record of the Board's financial transactions. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Board.

The Medical Research Council provides secretarial and other administrative and technical services to the Board, including maintaining systems of financial management and internal control. Transactions are executed in accordance with the Queen Elizabeth II Canadian Research Fund Act and are properly recorded to maintain accountability of funds and to safeguard the Board's assets.

These financial statements have been examined by the Auditor General, his role being to express an informed opinion as to whether the Board's financial statements, considered in their entirety, present fairly, in conformity with stated accounting policies, the Board's financial transactions.

## AUDITOR'S REPORT

TO THE BOARD OF TRUSTEES  
AND THE  
MINISTER OF NATIONAL HEALTH AND WELFARE

I have examined the balance sheet of the Board of Trustees of the Queen Elizabeth II Canadian Fund to Aid in Research on the Diseases of Children as at March 31, 1990 and the statements of operations and balance of fund and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Board as at March 31, 1990 and the results of its operations and the changes in its financial position for the year then ended in accordance with the accounting policies set out in Note 2 to the financial statements applied on a basis consistent with that of the preceding year.

Further, in my opinion, the transactions of the Board that have come to my notice during my examination of the financial statements have, in all significant respects, been in accordance with the Queen Elizabeth II Canadian Research Fund Act and by-laws of the Board.

**NOTES TO THE FINANCIAL STATEMENTS  
 MARCH 31, 1990**

**1. Authority and purpose**

The Queen Elizabeth II Canadian Fund to Aid in Research on the Diseases of Children was established by the Queen Elizabeth II Canadian Research Fund Act in 1959 to assist individuals or organizations to undertake or carry on research into the diseases of children, and the causes, prevention and treatment of such diseases. The Act provided for an initial one million dollar appropriation from the Consolidated Revenue Fund and established the Board of Trustees, consisting of a Chairman and six other trustees appointed by Her Majesty by commission under the Great Seal. The Board manages and administers the Fund in accordance with and subject to the Act.

**2. Accounting policies**

**(a) Revenue from, and investment in, Government of Canada securities**

The investment in Government of Canada securities is recorded at cost. All gains or losses, including any premium or discount on acquisition, are recognized as revenue when the securities are sold. Interest income is recorded on the accrual basis.

**(b) Expenses**

Expenses are recorded on the accrual basis.

**(c) Services provided without charge**

The Medical Research Council provides the Board, without charge, with such secretarial and other administrative and technical services and facilities as are required for the purposes of the Act.

**3. Queen Elizabeth II Visiting Professorships**

At a Board of Trustees meeting on March 20, 1985, a decision was taken not to offer any new scientist awards for the time being. At the same meeting, the Board approved the establishment of a Lectureship Award to be known as the Queen Elizabeth II Visiting Professorship, to enable Canadian departments of pediatrics to invite scientists of international calibre to visit their departments. This is designed to help strengthen these departments' scientific and research efforts in childhood diseases. The first awards were made in 1986-87.

**Board of Trustees of the Queen Elizabeth II Canadian  
Fund to aid in Research on the Diseases of Children—  
Concluded**

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1990—*Concluded*

4. Investment in Government of Canada securities

	1990			1989		
	Par Value	Cost	Market Value	Par Value	Cost	Market Value
	\$	\$	\$	\$	\$	\$
Government of Canada						
Residuals .....	470,625	293,556	340,020	462,875	289,457	315,944
Treasury bills .....	94,000	90,529	90,204	91,000	81,005	80,792
	564,625	384,085	430,224	553,875	370,462	396,736

Under the terms of the Act, the Board may invest any moneys of the Fund in bonds or other securities of the Government of Canada and may sell any such bonds and securities. The securities held at March 31, 1990 bear interest at rates ranging from 8.67% to 12.50% a year. Since interest on Government of Canada residuals is paid only at maturity, the market price of these residuals takes into account accrued interest, current prevailing interest rates and the term to maturity.

## Canadian Grain Commission

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Grain Commission in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in the financial statement rests with the management of the Commission.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Previous year figures have been reclassified to conform to the current year's presentation. To fulfill its reporting responsibility, the Commission maintains a set of accounts which provides a centralized record of the Commission's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in the financial statement, unless indicated otherwise.

The Department of Agriculture's Directorate of financial services develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The Commission maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Commission's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Commission also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Commission's results of operations.

The accounting system and financial statement of the Commission have evolved over the years to meet changing conditions.

Approved by:

M. E. WAKEFIELD  
*Chief Commissioner*

R. A. KULLMAN  
*Senior Financial Officer*

### AUDITOR'S REPORT

TO THE CHIEF COMMISSIONER AND COMMISSIONERS  
CANADIAN GRAIN COMMISSION

I have examined the statement of operations of the Canadian Grain Commission for the year ended March 31, 1990. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, this financial statement presents fairly the results of operations of the Commission for the year ended March 31, 1990 in accordance with the accounting policies set out in Note 2 to the financial statement applied on a basis consistent with that of the preceding year.

NOTES TO STATEMENT OF OPERATIONS  
MARCH 31, 1990

## 1. Authority and objectives

The Canadian Grain Commission was established under Section 3 of the Canada Grain Act (1970) to establish and maintain standards of quality for Canadian grain and regulate grain handling in Canada, to ensure a dependable commodity for domestic and export markets. The Canadian Grain Commission operates under lapsing authority however, there are some personnel costs covered by statutory authorities.

The Commission exercises certain responsibilities under the following Acts and associated regulations in addition to the Canadian Grain Act.

Financial Administration Act  
Grain Futures Act  
Weights and Measures Act  
Western Grain Stabilization Act  
Western Grain Transportation Act  
Inland Water Freight Rates Act

## 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards of the Receiver General for Canada for reporting the results of operations of the Commission in the Public Accounts of Canada. The most significant accounting policies used in the preparation of the statement are as follows:

## (a) Expenditure recognition

All expenditures are recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

## (b) Revenue recognition

Revenue is recorded on a cash basis in accordance with Government of Canada accounting policies. Revenue is credited directly to non-tax revenue.

## (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (d) Amounts representing services provided without charge from Government departments are included in expenditure.

## (e) Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

## Canadian Grain Commission—Concluded

NOTES TO STATEMENT OF OPERATIONS  
MARCH 31, 1990—Concluded

## 3. Parliamentary appropriations

	1990	1989
	\$	\$
Department of Agriculture Vote 25 (Vote 40 in 1989)—Program expenditure and contributions .....	45,755,811	43,015,000
Less: supplementary estimates .....	1,448,000	
amount lapsed .....	2,618,691	5,927,012
	41,689,120	37,087,988
Statutory—Contributions to employee benefit plans .....	4,794,000	5,151,000
Total use of appropriations .....	46,483,120	42,238,988
Add: services provided without charge by Government departments .....	1,271,600	1,111,800
Less: revenue credited to non-tax revenue .....	33,168,613	41,193,548
Net cost of operations including Office of the Grain Futures Act .....	14,586,107	2,157,240

## 4. Accounts receivable

As at March 31, 1990, accounts receivable from outside parties for services provided by the Commission were \$3,596,536 (1989—\$1,605,579).

## 5. Lease commitments

Lease commitments under operating leases with terms of more than one year total \$5,546,534. The future aggregate minimum lease payments by fiscal year are as follows:

	\$
1991 .....	2,524,322
1992 .....	2,383,077
1993 .....	241,292
1994 .....	179,472
1995 and on .....	218,371

## 6. Contingent liabilities

The Commission has exercised its powers under the Canada Grain Act in revoking licences which included the realization of posted securities. As a result, various claims and lawsuits have been brought against the Commission.

The Commission was given notice of a statement of claim that names the Commission as one of several Government departments who allegedly were negligent in the manner of testing of toxins contained in the winter wheat crops of 1980. Damages are claimed for storage costs and transportation costs incurred by reason of the alleged negligence.

In the opinion of management and legal counsel the losses, if any, cannot be determined at this time. Accordingly, no provision has been made in the accounts of the Commission.

Settlement, if any, that may be made with respect to these actions, is expected to be accounted for as an operating expenditure in the year in which the settlement occurs.

## 7. Comparative figures

For comparative purposes, some 1989 figures have been reclassified to conform with the 1990 presentation.

NET COST OF OPERATIONS BY DIVISION  
FOR THE YEAR ENDED MARCH 31, 1990

**Debts, obligations and claims written off or forgiven**

There are three types of approval/authority for the write-off or forgiveness of debts, obligations and claims:

- (i) Ministerial approval represents authority given to Ministers under the Financial Administration Act (FAA) or other Acts of Parliament as described in (i)(a) and (b)—
- (a) Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-offs, from the memorandum departmental accounts receivable, of any debt other than overpayments of salaries, wages, and employment-related allowances, obligation or claim that does not exceed \$25,000.
- (b) Other Acts of Parliament (eg. Bankruptcy Act) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.
- (ii) Treasury Board approval— Section 25(1) of the FAA allows a Minister, with specific Treasury Board approval, to write-off, from memorandum departmental accounts receivable, any debt, obligation or claim that exceeds \$25,000. Certain debts, obligations or claims less than \$25,000, such as the overpayment of salaries, wages and employment-related allowances, may need Treasury Board approval to be written off.
- (iii) Parliamentary authority—
- (a) Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of Assets and Liabilities of Canada is to be written off, the write-off must be authorized by Parliament as a budgetary item in an Appropriation Act or some other Act.
- (b) Section 25(4) of the FAA specifies that any debt, obligation or claim of a Crown corporation due to the Government may be forgiven by being included in a budgetary vote of an Appropriation Act.
- (c) Ministers may also be given specific approval to forgive a debt, obligation or claim as provided by Parliament in a specific Act.

The type of accounts and the type of deletions are indicated by the following codes:

## Statement of accounts receivable for tax revenue

In accordance with its accounting policies, the Government reports tax revenue in the year in which it is received. However, amounts representing billed but uncollected and/or unbilled and accrued financial claims arising from amounts owed to a Government body for self-assessed taxes are not recorded as accounts receivable in the accounts of Canada, nor are they reported as assets on the Statement of Assets and Liabilities. These items, therefore, are controlled through memorandum accounts kept by Government bodies and are presented in this statement.

In order to comply with generally accepted accounting principles for governments, the Government has revised its accounting policy for non-tax revenues to account for these revenues in the fiscal year in which the transactions occurred that gave rise to the revenues and may also include charges related to the provision for non-tax accounts receivable. These revenues were previously reported in the year received and included in this table. They are now recorded in the accounts of Canada and reported as assets in the Statement of Assets and Liabilities.

Outside parties represents tax revenue receivable from outside the Government. Allowance for doubtful accounts represents the total tax revenue receivable which are scheduled for write off or forgiveness plus an allowance for doubtful accounts based on the best estimate of all or any amounts which may not be collected. Internal to the Government are amounts of tax revenue receivable collectable from Government bodies. A Government body is an organization which is part of the Government of Canada as an accounting entity.

Items shown as Internal to the Government do not represent cash to be received. They are memorandum amounts and are not included in the total net accounts receivable.

Accounts receivable written-off or forgiven are included in Section 3 of this volume (Statement of debts, obligations and claims written-off or forgiven).

## Accounts receivable for tax revenue as at March 31

\* Comparative figures for the previous year have been restated.

## Notes to Statement of accounts receivable for tax revenue

<sup>(1)</sup> Included in the statement is corporate Part VII tax of \$9,708,280 which is refundable when investment tax credits or share-purchase tax credits are earned by the corporations.

<sup>(2)</sup> Scientific research tax credit (SRTC) information:

The amounts under SRTC represent "returns assessed" (\$72,423,861) and are assessments of Part VIII tax returns relating to scientific research projects expenditures that have not been accepted as tax credits under SRTC legislation. Excluded from accounts receivable are "designations assessed" (\$99,662,453), which comprise tax credits that can either be applied to tax payable or if no scientific research has been completed will become accounts receivable. This can only be determined through the audit process which is underway.

<sup>(3)</sup> This statement includes receivables of the Unemployment Insurance Account. National Revenue-Taxation has reported \$59,486,780 in Unemployment insurance accounts receivable as at March 31, 1990 (\$53,541,593 as at March 31, 1989) which represent deductions at source.

<sup>(4)</sup> During the year, total write-offs and forgiveness of accounts receivable as detailed in Section 3 of this volume amounted to \$1,696 million. That statement also includes Parliamentary write-offs and forgiveness of loans, investments and advances which totalled \$708 million.

## Disclosure of long-term accounts receivable for non-tax revenue

Long-term accounts receivable are part of the accounts receivable amount included in the Statement of Assets and Liabilities in Volume I.

A long-term accounts receivable is defined as an accounts receivable not collectable until at least 12 months after the accounting date.

## Long-term accounts receivable for non-tax revenue

Categories of long-term accounts receivable for non-tax revenue	1990				1989
	Outside parties	Allowance for doubtful accounts	Net accounts receivable	Internal to the Government	Net accounts receivable
	\$	\$	\$	\$	\$

## Professional and Special Services

This section presents, for each program, the total amount spent for each classification of services together with a detailed listing of (a) individual payments of \$100,000 or over; or (b) the aggregate of all payments to one individual or one organisation that totals \$100,000 or over. A summary of total current year's expenditure (standard object 04 and related portion of standard object 15) by department and agency is provided in Section I (Table 5) of Volume II (Part I).

The following statement presents a summary of professional and special services by ministry and main classification for the year ended March 31, 1990

### Summary of Professional and Special Services

PUBLIC ACCOUNTS

## Construction and/or Acquisition

### CONTENTS

	<i>Page</i>
Construction and/or acquisition of land, buildings and works . .	6.2
Construction and/or acquisition of machinery and equipment . . . . .	6.26

**Construction and/or acquisition of land, buildings and works**

This statement provides total current year's expenditure by program, with details for contracts of \$250,000 or over (\$25,000 or over for cost plus contracts). In this statement:

- one asterisk {\*} adjacent to amounts in the expenditures to date column indicates that amounts reported in previous year's Public Accounts have been amended in the current year;
- two asterisks {\*\*} adjacent to name and location of contractor indicate that the contracts have been awarded through the Department of Public Works;
- three asterisks {\*\*\*} adjacent to the brief description and province of the project indicate cost plus contracts; and,
- an {f} adjacent to amounts in the expenditures to date column indicates the contracts completed in the current year.

A summary of total current year's expenditure (standard object 08) by department and agency is provided in Section 1 (Table 5) of Volume II (Part I).

## Transfer Payments

A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received, and which is made for the purpose of furthering program objectives. This section presents, for each program, the total expenditure by recipient or class of recipients, together with a detailed listing of individual payments of \$100,000 or over. A summary of total current year's expenditure (standard object 10) by department and agency is provided in Section 1 (Table 5) of Volume II (Part I).

### AGRICULTURE \$1,491,394,772

#### Department \$1,474,664,773

##### MANAGEMENT AND ADMINISTRATION PROGRAM \$7,000

Grants to individuals in recognition of their activities in the national dissemination of federal agricultural information \$2,000

Contribution to Canada Safety Council in support of National Farm Safety Week \$5,000

Federal contributions in respect of provincial and territorial health care services are included under the established programs financing arrangements found in Part VI of the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act. Total entitlements of each province are based on a per capita amount prescribed in legislation. The amount is escalated annually in line with the growth of the gross national product and population. The tax contribution is the current value of a legislatively prescribed number of tax points (and the fiscal equalization associated with them). Cash payments are the difference between total entitlements and the tax contribution plus adjustments related to prior years payments. The equalization associated with the tax transfer is paid under the fiscal equalization program administered by the Department of Finance. The amount of these cash and tax transfers in 1989-90 is shown above.

The payment of cash contributions is also subject to provisions of the Canada Health Act. The Act requires that the provinces not permit extra billing by a medical practitioner or a dentist or the assessment of specified user charges by a hospital. Should a province fail to comply with these conditions, the Act provides for automatic deductions from the cash contributions. During 1989-90 no deductions were made.

## APPENDIX 2

Payments under the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act  
(National Health and Welfare)

(in thousands of dollars)

Total . . . . .	5,317,324	1,345,798	6,663,122

Federal contributions in respect of provincial and territorial health care services are included under the established programs financing arrangements found in Part VI of the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act. These contributions are calculated from a predetermined base amount escalated on the basis of growth in the gross national product. In recent years, adjustments have been made to the escalator because of federal restraint. This value is then multiplied by the population of each province to determine the provincial entitlement. These contributions take the form of a transfer of a predetermined number of tax points (and associated equalization) estimated at 7.2 billion in 1989-90, together with a residual cash payment (as shown above). The payment of these cash contributions is also subject to various provisions of the Canada Health Act. In order that a full cash contribution may be paid, provinces must satisfy program criteria respecting public administration, comprehensiveness, universality, portability and accessibility throughout the fiscal year, and in addition, must agree to provide the Minister of Health and Welfare with required information and must give recognition to the contributions and payments made by Canada under the Canada Health Act.

Additionally, the Act requires that the provinces must not permit extra billing by a medical practitioner or a dentist (for surgical dental services requiring a hospital for their proper conduct) or the assessment of user charges by a hospital. Should a province fail to comply with these conditions, the Act provides for automatic deductions from cash contributions. All provinces are presently complying with these requirements, as they are defined under the Canada Health Act.

## APPENDIX 3

## Payments under the Canada Assistance Plan (National Health and Welfare)

(in thousands of dollars)

Provinces and territories	Year ended March 31		Increase or decrease(-)
	1990	1989	
Newfoundland . . . . .	101,040	91,339	9,701

Yukon Territory . . . . .	5,202	8,111	(2,909)
Total . . . . .	4,885,271	4,583,550	301,721

The Canada Assistance Plan Act authorizes the government to enter into agreements with provinces and territories for sharing the costs of social assistance provided to persons in need, and welfare services provided to persons in need or likely to be in need. The rate of the federal contribution is 50% of the eligible and shareable costs.

- (1) The Province of Quebec has opted to receive special funding in lieu of cost sharing under the Canada Assistance Plan, in accordance with Part VII for Special Welfare programs of the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act. Under these provisions, the Province of Quebec is entitled to receive a combination of cash and tax abatement units equivalent to the transfer payments which would have been made had it opted to participate in the Canada Assistance Plan.

The amounts received by Quebec were:

	1989-90	1988-89
	(in thousands of dollars)	
Cash payments . . . . .	1,106,377	1,128,973
5 tax abatement units (estimated value) . . . . .	574,709	524,810
	1,681,086	1,653,783

Northwest Territories . . . . .	2	6		3
Total . . . . .	2,081	16,267	1,862	11,997

The New Horizons Program was established in 1972 to encourage and enable retired Canadians to become more actively involved in the life of their community. This objective is accomplished by providing professional assistance and financial contributions to help groups of seniors to plan and develop projects in keeping with their interests and talents. These projects help participating seniors to remain socially active and provide them with an opportunity to become involved in community service projects which help many seniors to prolong an independent life-style.

## APPENDIX 5

## Summary of payments under the Family Allowances Act (National Health and Welfare)

Year ended March 31	Number of recipients (in thousands)	Number of children (in thousands)	Payments (in millions of dollars)
1990 . . . . .	3,699	6,658	2,654
1989 . . . . .	3,675	6,609	2,606
1988 . . . . .	3,666	6,597	2,564
1987 . . . . .	3,659	6,592	2,534
1986 . . . . .	3,645	6,585	2,501

Federal Family Allowances are paid in respect of dependent children under age 18. Although payment is normally made to the mother, it may be made to any person who has assumed responsibility for the maintenance of the child. Special Allowances are paid for children who are maintained by agencies or institutions. The legislation provides for annual escalation of the allowance in January of each year based on increases in the Consumer Price Index in excess of 3%. The federal monthly rate of family allowances per child was \$32.74 in 1989 and \$33.33 in 1990. Special allowances were \$48.84 a month in 1989 and \$49.72 in 1990.

A provincial government may request the federal government to vary the federal family allowances rate payable in that province on the basis of the age of the children or the number of children in the family, or both, provided that the smallest monthly payment in that province is at least 60% of the federal rate and the average monthly amount paid for all children in that province for a specific four year period is equal to the average monthly federal rate over the same period. The provinces of Alberta and Quebec have exercised this option.

In March 1990, there were 3,699,265 families and agencies receiving an average of \$61.00 on behalf of 6,657,596 eligible children.

*Child Tax Credit* is an income-tested benefit designed to assist low and middle income families with children. The basic amount of 1989 Child Tax Credit was \$565.00 per child. The total credit payable was reduced by 5% of net family income above \$24,355. Payments applicable to taxation years, 1987, 1988 and 1989 made from April 1, 1989 to March 31, 1990 amounted to \$31,206,510, \$1,681,821,612 and \$892,130,432 respectively, a total of \$2,605,158,554.

## APPENDIX 6

## Summary of payments under the Old Age Security Act (National Health and Welfare)

(in millions of dollars)

	Year ended March 31				
	1990	1989	1988	1987	1986
Old Age Security Pension (OAS) . . . . .	11,804	10,963	10,248	9,520	8,858
Guaranteed Income Supplement (GIS) . . . . .	3,889	3,766	3,618	3,452	3,319
Spouse's Allowance (SPA) . . . . .	461	473	483	473	348
	16,154	15,202	14,349	13,445	12,525

A full or partial basic Old Age Security pension is payable at age 65 or later to everyone who has met certain residence requirements.

A Guaranteed Income Supplement is an additional amount payable to pensioners who have little or no income apart from the Old Age Security pension. Entitlement is normally based on income in the preceding calendar year, computed in accordance with the Income Tax Act. Where a married couple is concerned, each is considered to have one half of their combined income.

Spouse's Allowance is payable to the spouse of a pensioner if the spouse is age 60 to 64 and to widows and widowers aged 60 to 64. All recipients must meet certain residence requirements. Entitlement is based on income.

All benefits under the Old Age Security program are subject to change in January, April and October of each year based on increase in the Consumer Price Index.

The benefits in effect as at April 1, 1990 were as follows:

## Monthly benefits

	\$
OAS (basic) . . . . .	347.93
GIS (maximum)	
Single person or a married person whose spouse is not in receipt of OAS or SPA . . . . .	413.48
Married couple, both pensioners—Each . . . . .	269.32
Spouse's Allowance (maximum) . . . . .	617.25
Widowed recipients . . . . .	681.44

In March 1990, there were 3,005,803 old age security pensioners, of whom 1,359,096 or 45.22% were also receiving a supplement; the average supplement paid was \$247.00. In addition, there were 127,308 spouses of pensioners in receipt of spouse's allowance. The average spouse's allowance benefit was \$311.00.

Total . . . . .	2,166,079	3,099,926	291,111	3,391,037	5,557,116

Federal contributions in respect of post-secondary education are included under the established programs financing arrangements found in Part VI of the Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act. Total entitlements for each province are based on a per capita amount prescribed in legislation. The amount is escalated annually in line with the growth of the gross national product and population. The tax contribution is the current value of a legislatively prescribed number of tax points (and the fiscal equalization associated with them). Cash payments are the difference between total entitlements and the tax contribution plus adjustments related to prior years payments. The equalization associated with the tax transfer is paid under the fiscal equalization program administered by the Department of Finance. The amount of these cash and tax transfers in 1989-90 is shown above.

# SECTION 8

1989-90

PUBLIC ACCOUNTS

## Public Debt Charges

Public debt charges .....	8.2

## Public debt charges

Public debt charges include interest on unmatured debt (including Treasury bills and Canada bills), on specified purpose accounts and on other accounts, cost of issuing new loans, amortization of bond discounts, premiums and commissions, and the costs of servicing the public debt.

The following statement presents details of current year's public debt charges.

	Rate of interest	Amount of principal <sup>(1)</sup>	Amount expended in 1989-90 <sup>(2)</sup>
	%	\$	\$

(1) For unmatured debt, the amount of principal represents the closing balance as at March 31, 1990. For specified purpose accounts and the other accounts, the amount of principal represents the net closing balance as at March 31, 1990.

(2) Amounts reported in this column represent interest (i.e. interest on unmatured debt (including Treasury bill and Canada bill discounts), on specified purpose accounts and on other accounts) unless otherwise indicated.

(3) The gains or losses on domestic interest rate swap agreements cannot be associated with a particular debt instrument and thus are shown in aggregate.

(4) Converted to \$1 US = \$1.1695 Canadian.

(5) These amounts include charges and receipts for swap agreements which correspond to these debt issues.

(6) Converted to 1 SF = \$.7804 Canadian.

(7) Converted to 1 Y = \$.007378 Canadian.

(8) Term to maturity is 20 years, or such lesser period as may from time to time be fixed by the Minister of Finance on recommendations of the Chief Actuary of the Office of the Superintendent of Financial Institutions, redeemable in whole or in part before maturity only at the option of the Minister of Finance.

(9) Interest on this balance is distributed to the Provinces of Ontario and Quebec on a basis of population.

1989-90

PUBLIC ACCOUNTS

## Payments of Damage Claims, Ex Gratia Payments, Federal Court Awards and Nugatory Payments

### CONTENTS

	<i>Page</i>
Payments of damage claims . . . . .	9.2
Ex gratia payments . . . . .	9.15
Federal Court awards . . . . .	9.117
Nugatory payments . . . . .	9.119

**Payments of damage claims**

This statement provides, by ministry and program, details for all payments of damage claims of \$1,000 or over. Payments of less than \$1,000 are reported as one amount at the end of each program, together with the total number of such claims. A damage claim is a claim for damages for which the Crown was liable under the Crown Liability Act.

**Ex gratia payments**

This statement provides, by ministry and program, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each program, together with the total number of such payments. For the purposes of this statement, an ex gratia payment is a payment for which no liability is recognized, whether or not any value or service has been received, and that is made as an act of benevolence in the public interest.

## Nugatory payments

This statement provides, by ministry and program, details for all nugatory payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each program, together with the total number of such payments. For the purposes of this statement, a nugatory payment is a payment for which no value or service has been received, but for which a liability is recognized.

## FEDERAL-PROVINCIAL SHARED-COST PROGRAMS

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, and this even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs completed in the current year. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

<b>COMMUNICATIONS</b>					
<b>Canadian Radio-television and Telecommunications Commission</b>					
Commission .....	<b>180,000</b> <sup>(1)</sup>	<b>200,000</b>	<b>23,562,321</b>	<b>7,243,857</b>	<b>31,186,178</b>
	92,400 <sup>(1)</sup>	172,833	23,572,040	7,264,161	31,101,434
The Commission was established under Part I of the Canadian Radio-television and Telecommunications Commission Act. It consists of not more than nine full-time members and not more than ten part-time members to be appointed by the Governor in Council. Its mandate is to encourage the implementation of the national broadcasting policy through the regulation and supervision of the Canadian broadcasting system; and to regulate rates and other aspects of the services offered by telecommunications common carriers under federal jurisdiction. The Commission is ongoing.					
<b>National Film Board</b>					
Board of Trustees .....	<b>16,000</b>	<b>45,000</b>		<b>29,000</b>	<b>90,000</b>
	11,450	26,403		18,433	56,286
The Board of Trustees was established under Part IV of the National Film Act, 1950, consisting of the Commissioner, who shall be the Chairman, and eight other members to be appointed by the Governor in Council. The Board is permanent.					
<b>National Museums of Canada</b>					
Board of Trustees <sup>(2)</sup> .....					
	25,450	26,938			52,388
The Board of Trustees was established under the authority of the National Museums Act. Its mandate is to act as the legal and governing authority for the National Museums Corporation and to ensure that the purposes of the Corporation, as stated in Section 5 of the National Museums Act are carried out. Term indeterminate.					
<b>CONSUMER AND CORPORATE AFFAIRS</b>

<b>Hazardous Materials Information</b>					
Review Commission .....	79,000	34,000	779,023	958,977	1,851,000
	78,335	33,903	749,143	466,459	1,327,840

The Commission was established under the authority of the Hazardous Materials Information Review Act. Its mandate is to make decisions on the validity of claims for exception from the reporting requirements of the Workplace Hazardous Materials Information System, to make decisions concerning the compliance of the material safety data sheets and labels with the relevant legislation, to convene boards to hear appeals on its decisions, and to provide confidential business information to medical professionals in cases of medical emergency. Term indeterminate.

**Patented Medicine Prices**

<b>Review Board .....</b>			<b>1,480,432</b>	<b>1,346,568</b>	<b>2,827,000</b>
	81,888	33,601	1,284,056	1,190,039	2,589,584

The Patented Medicine Prices Review Board was established under amendments to the Patent Act which came into force December 7, 1987. Its mandate is to prevent patentees from charging excessive prices for patented medicines. It is also charged with monitoring and reporting to Parliament on overall pharmaceutical pricing trends of all medicines and on investment by patentees in pharmaceutical research and development. Term indeterminate.

**EMPLOYMENT AND IMMIGRATION**

<b>Canadian Advisory Council on the Status of Women ...</b>	<b>295,550</b>	<b>180,100</b>			<b>475,650</b>
	233,065	90,459			323,524

In 1973, the Canadian Advisory Council on the Status of Women was established as an independent organization funded by the government. The Council was granted legal status through Order in Council PC 1976-781. Its mandate is to bring before the federal government and the public matters of interest and concern to women; and to advise the Minister on such matters relating to the status of women as the Minister may refer to the Council for its consideration or as the Council may deem appropriate. The Council is permanent.

<b>Immigration and Refugee Board of Canada</b> .....	<b>17,237,085</b>	<b>1,151,108</b>	<b>16,388,725</b>	<b>13,628,082</b>	<b>48,405,000</b>
	16,397,929	1,175,897	16,388,591	13,459,405	47,421,822
<p>The Immigration and Refugee Board of Canada is an independent statutory judicial tribunal established under amendments to the "Immigration Act, 1976" which were passed in July, 1988 by Parliament. The amendments came into effect on January 1, 1989. The objective of the Board is to adjudicate claims to refugee status made by persons in Canada, in accordance with Canada's obligations pursuant to international convention and Canadian law; and to make available to persons who have been denied admission to or ordered deported from Canada, as well as to Canadian citizens and permanent residents whose family members have been refused landing in Canada, an independent court to which they may appeal such decisions on grounds of both law and equity.</p>					
<b>ENERGY, MINES AND RESOURCES</b>					
<b>Atomic Energy Control Board<sup>(2)</sup></b> .....					
	126,110	41,490		4,483	172,083
<p>The Board was established under Part III of the Atomic Energy Control Act. Its objective is to control atomic energy in the interests of health and safety and national security.</p>					
<b>International Boundary Commission</b> .....	<b>72,693</b>	<b>3,660</b>			<b>76,353</b>
	72,693	3,660			76,353
<p>The Commission was established under the provision of the Treaty of Washington, April 11, 1908 and the Treaty of Washington, February 24, 1925. Its powers are further defined in the International Boundary Commission Act. The purpose of the Commission is to maintain an effective land and water boundary between Canada and the United States by means of physical demarcation, and to regulate transboundary construction activity. The Commission is a permanent organization.</p>					
<b>National Energy Board</b> .....	<b>1,062,268</b>	<b>165,000</b>	<b>15,971,750</b>	<b>4,609,982</b>	<b>21,809,000</b> <sup>(3)</sup>
	1,052,484	153,278	15,150,399	4,549,531	20,905,692 <sup>(3)</sup>
<p>The National Energy Board was established under Part I of the National Energy Board Act. Its objectives are: (a) to ensure that the best interests of Canada are served in the safe and environmentally sound construction and operation of gas and oil pipelines and power lines subject to federal jurisdiction, in the exportation of electrical power, gas and oil and the importation of gas and oil; (b) to ensure that tolls of pipelines under federal jurisdiction are just and reasonable and that pipeline services are provided on a continuing basis, without discrimination and in a cost-efficient manner; (c) to advise on the control, supervision, conservation, use, marketing and development of energy and sources of energy. To fulfill specific responsibilities under the Northern Pipeline Act and the Energy Administration Act.</p>

<b>ENVIRONMENT</b>					
<b>Canadian Environmental Advisory Council .....</b>					<b>206,300</b>
	71,437	90,665			162,102
<p>The Canadian Environmental Advisory Council (CEAC) was perceived, at the time of its founding in 1972, as a means to promote communication and understanding among diverse interest groups in society, and between those groups and the Minister of the Environment. The practical means of implementing this role focused primarily on the provision of advice by the Council to the Minister of the Environment. Appointments are normally for a three-year period, subject to earlier termination by either party, and may be renewed or extended.</p>					
<b>Canadian Environmental Assessment Research Council .....</b>					<b>500,000</b>
	14,097	20,619			34,716
<p>To promote research in environmental impact assessment. Appointments are made by the Executive Chairman and normally for a three-year period, subject to earlier termination by either party, and may be renewed or extended.</p>					
<b>The Historic Sites and Monuments Board of Canada .....</b>	<b>81,000</b>	<b>70,000</b>	<b>66,314</b>	<b>68,492</b>	<b>285,806</b>
	74,450	85,215	50,421	74,516	284,602
<p>The Board was established under Section 6 of the Historic Sites and Monuments' Act by Order in Council PC 1960-2/1976, October 1, 1969. The Historic Sites and Monuments Board of Canada is a statutory board appointed by the Governor in Council to advise the Minister of Environment on the Commemoration of our nation's history. Term indeterminate.</p>					
<b>FISHERIES AND OCEANS</b>					
<b>Canada-Norway Sealing Commission<sup>(4)</sup></b>					
<p>The Commission was established through Article 3 of a treaty between the Governments of Canada and Norway on sealing and the conservation of seal stocks in the North West Atlantic Ocean, signed in Ottawa, July 15, 1971, date of coming into force: December 22, 1971. It was established to administer the agreement and submit proposals to the contracting parties, on sealing, conservation of seal stocks, national quotas, opening and closing dates, humane hunting methods, and inspection and control procedures. The Commission has not met since 1982.</p>

<b>Fisheries and Oceans Research Advisory Council</b> .....	<b>125,700</b>	<b>3,500</b>		<b>43,500</b>	<b>172,700</b>
	39,715		1,260	41,579	82,554

The Council was established under the authority of the Fisheries and Oceans Research Advisory Council Act. Its mandate is to advise the Minister on all matters referred to it by the Minister relating to: fisheries research and the marine sciences, including technological development in those fields; the scope and adequacy of the science policies and programs of the Department of Fisheries and Oceans, having regard to the duties and functions of that Department and the science policies and international obligations of the Government of Canada; and the coordination of research and development programs in the fields of fisheries research and marine sciences. The Council is permanent.

<b>Fisheries Prices Support Board</b> .....	<b>78,000</b>	<b>5,000</b>	<b>75,000</b>	<b>7,000</b>	<b>165,000</b>
	76,950	3,306	77,809	3,819	161,884

The Board was established by authority of the Fisheries Prices Support Act. Its mandate is to prescribe from time to time, with the approval of the Governor in Council, prices at which the Board may purchase fisheries products; to purchase, directly or indirectly, fish or fish products; and to pay, directly or indirectly the differential between current market price and Board price to the producer. The life of the Board is ongoing.

<b>International Commission for the Conservation of Atlantic Tuna</b> .....	<b>1,500</b>	<b>9,000</b>			<b>10,500</b>
	1,500	8,577			10,077

The Commission was established under the Fisheries Act and a Convention adhered to by Canada, effective 1968. The Commission is responsible for studying the populations of tuna-like species in the Atlantic Ocean and its adjacent seas, and for making recommendations to the contract-parties concerning measures required to maintain the population of these fisheries at levels which will provide the optimum sustainable catch. The present Commission membership consists of 21 contracting parties. The life of the Commission is ongoing.

<b>International Council for the Exploration of the Sea<sup>(2)</sup></b> .		8,108			8,108
---	--	-------	--	--	-------

The Council was established under PC 1967-1696. Its mandate is to encourage and coordinate studies of the marine environment with particular reference to the living resources of the sea with concentration on the North Atlantic. The Council has no regulatory function, but provides scientific advice on request to member governments, groups of member governments or International Commissions. The life of the Council is ongoing.

<b>International Fisheries Commissions Pension Society .....</b>		<b>7,700</b> 8,081			<b>7,700</b> 8,081
The Society was established under the Canada Corporations Act. Its mandate is to administer pension and related benefit policies for employees and dependents of International Fisheries Commissions established and maintained by Canada and the USA. The life of the Society is ongoing.					
<b>International North Pacific Fisheries Commission ....</b>	<b>1,900</b> 1,350	<b>3,500</b> 3,176			<b>5,400</b> 4,526
The Commission was established under the North Pacific Fisheries Convention Act. Its mandate is to carry out and give effect to the provisions of the International Convention for High Seas Fisheries of the North Pacific Ocean; to ensure that the Fisheries joint interests are maintained at the level of maximum sustainable productivity; to promote and coordinate scientific studies necessary to ascertain the conservation measures required and recommend such measures to the contracting parties. The life of the Commission is ongoing.					
<b>International Pacific Halibut Commission .....</b>	<b>1,200</b> 1,650	<b>1,800</b> 11,203			<b>3,000</b> 12,853
The Commission was established under the North Pacific Halibut Fisheries Convention Act. The Commission was established to conduct scientific investigation and to recommend to governments regulatory measures required for the proper management of halibut resources in the North Pacific Ocean. The life of the Commission is ongoing.					
<b>North Atlantic Salmon Conservation Organization .....</b>	<b>2,100</b> 2,250	<b>16,000</b> 10,705			<b>18,100</b> 12,955
The Organization was established under the Convention for the Conservation of Salmon in the North West Atlantic Ocean, October 1, 1983, ratified by PC 1983-2893. Its mandate is to promote conservation, restoration, enhancement and rational management of salmon stocks in the North Atlantic Ocean, through international cooperation. The life of the Organization is ongoing.					
<b>North West Atlantic Fisheries Organization .....</b>	<b>1,800</b> 1,200	<b>7,000</b> 13,657			<b>8,800</b> 14,857
The Organization was established by a Convention adhered to by Canada, effective January 1979, and Regulations made under the Fisheries Act. Its mandate is to promote the conservation and maximum utilization of the fisheries resources of the North West Atlantic and to encourage the cooperation internationally with further consultation regarding these resources. The life of the Organization is ongoing.

<b>Pacific Salmon Commission .....</b>	<b>126,898</b>	<b>74,502</b>			<b>201,400</b>
	80,025	96,461			176,486

The Commission was established under the Pacific Salmon Convention Act. The Treaty provides a unique opportunity to resolve stock interception problems, reduce the overfishing of internationally exploited stocks and open avenues to increase salmon production through enhancement, stock conservation and rebuilding. The Treaty establishes a new institutional framework for coordinating Canadian and US salmon management, enhancement and research. The Treaty establishes specific limitations on key interception fisheries, commits both countries to additional research activities, mandates an ongoing negotiation process to implement Treaty objectives and establishes an independent arbitration mechanism to settle technical differences. The life of the Commission is ongoing.

## INDIAN AFFAIRS AND NORTHERN DEVELOPMENT

<b>Beaufort-MacKenzie Delta Land Use Planning Commission .....</b>	<b>96,000</b>	<b>63,990</b>			<b>159,990</b>
	95,981	58,117			154,098
<b>Denendeh Land Use Planning Commission .....</b>	<b>53,000</b>	<b>49,855</b>			<b>102,855</b>
	52,298	40,425			92,723
<b>Nunavut Land Use Planning Commission .....</b>	<b>72,520</b>	<b>25,480</b>			<b>98,000</b>
	66,245	23,599			89,844

The establishment of the 3 commissions was authorized by TB Minute 798176 on May 22, 1985. The objective of each commission is to develop a land use plan which represents the priorities of each region's residents in the protection of the environment and sustaining the resources of the Northwest Territories. The plans will also provide the necessary framework to guide future economic development decisions in each region. It is unknown as yet how long each commission will continue, however it is probable that each one will operate on an ongoing basis to monitor the implementation of each plan.

<b>Indian Commission of Ontario .....</b>	<b>75,000</b>	<b>20,300</b>	<b>136,400</b>	<b>142,137</b>	<b>373,837</b>
	66,700	17,570	136,400	98,246	318,916

Established by concurrent federal and provincial Orders in Council and resolution of the Ontario status Indian Chiefs in 1978. Current federal Order in Council PC 1986-4/767 for period April 1, 1985 to March 31, 1989. The mandate is to assist the Indian people, Canada and Ontario foster Indian self-government and to resolve outstanding issues, usually of a jurisdictional nature. The figure does not show total commission costs, since it is funded on a two-thirds (Federal) and one-third (Provincial) basis.

<b>JUSTICE</b>					
<b>Canadian Human Rights Commission .....</b>	<b>331,200</b>	<b>140,000</b>	<b>325,463</b>	<b>59,550</b>	<b>856,213</b>
	321,915	80,969	341,999	30,235	775,118
The Commission was established under the authority of the Canadian Human Rights Act. Its mandate is to receive and investigate complaints of discrimination, to obtain a resolution or settlement where discrimination is established and to combat discriminatory practices and policies by means of information, public education and research. Term indeterminate.					
<b>Law Reform Commission of Canada .....</b>	<b>400,000</b>	<b>120,000</b>	<b>1,672,000</b>	<b>2,642,000</b>	<b>4,834,000</b>
	373,557	118,797	1,640,231	2,631,082	4,763,667
The Commission was established by authority of the Law Reform Commission Act. Its mandate is to study and keep under review the laws of Canada with a view to making recommendations for their improvement, modernization and reform. The Commission is permanent.					
<b>1989 Commission on Judges' Salaries and Benefits .....</b>	<b>60,000</b>	<b>20,000</b>		<b>20,000</b>	<b>100,000</b>
	11,113	3,941		11,220	26,274
The Commission was established under the authority of Section 26(1) of the Judges Act. The mandate was to inquire into the adequacy of the salaries and other amounts payable under the Judges Act and into the adequacy of the Judges' benefits in general. A report from the Commission was required to be submitted within six months of the date of the appointment of the Commissioners.					
<b>LABOUR</b>					
<b>Labour Adjustment Review Board .....</b>	<b>20,000</b>	<b>20,000</b>	<b>84,000</b>	<b>28,000</b>	<b>152,000</b>
	12,750	8,595	171,968	34,466	227,779
The Board was established under the Labour Adjustment Benefits Act. Its mandate is to determine whether individuals are eligible to apply to Employment and Immigration Canada for benefits under the Act. The termination date for industries designated nationally under the Act was August 17, 1986 and for industries designated regionally (in seven communities only) the termination date was February 12, 1987. Although the Program is now ended, the Board still meets on a regular basis to deal with those cases of layoffs that still fall within the program dates and no actual termination date has been approved.

<b>NATIONAL HEALTH AND WELFARE</b>					
<b>Canada Pension Plan Advisory Board<sup>(2)</sup></b> .....	17,397	35,161			52,558
<p>The Board was established as a committee under Part III, Section 117 of the Canada Pension Plan (Order in Council PC 1965-799 of May 5, 1965). An amendment to the Canada Pension Plan Act (Bill C-116 of January 1, 1987) included the name change from Canada Pension Plan Advisory Committee to Canada Pension Plan Advisory Board. Its mandate is to review the operation of the Canada Pension Plan, the state of the Canada Pension Plan Investment Fund and the adequacy of coverage and benefits under the Plan. The life of the Board is unspecified.</p>					
<b>Commission for Fair Play<sup>(2)</sup></b> .....		12,635			12,635
<p>The Commission for Fair Play was established in June 1986 by the Minister of State for Fitness and Amateur Sport. The Commission was created as a response to a growing concern by Canadians about the erosion of the principles of fair play and the increasing level of violence in sport. Twenty prominent Canadians from sport, medical and educational communities, the private sector and the media are generously volunteering their time and expertise to promote fair play.</p>					
<b>National Advisory Council on Aging<sup>(2)</sup></b> .....	46,067	41,214			87,281
<p>The Council was established by Order in Council PC 1980-1195, May 1, 1980 as a citizens' advisory body to the Minister of National Health and Welfare. Its mandate is to assist and advise the Minister on all matters related to the quality of life of the aged. The life of the Council is unspecified.</p>					
<b>National Advisory Council on Fitness and Amateur Sport<sup>(4)</sup></b>					
<p>The National Advisory Council on Fitness and Amateur Sport was created in 1961 under the Fitness and Amateur Sport Act. Its mandate is to advise the Minister on all matters relating to fitness and amateur sport. Committees of Council members are formed when the need arises to study areas of particular concern to the federal government. The Act identifies the Minister of National Health and Welfare as being the responsible Minister. He has, however, designated the Minister of State for Fitness and Amateur Sport as having operational responsibility. The Council reports to him. The life of the Council is unspecified.</p>

<b>National Transportation Agency</b> .....		(6)			<b>757,020,397</b>
		(6)			754,160,713

The Agency was established under Part I of the National Transportation Act and consists of not more than nine members appointed by the Governor in Council, in addition the Governor in Council may appoint not more than six temporary members. The Agency's objective is to support the implementation of the national transportation policy through the economic regulation of carriers and modes of transportation that come under federal jurisdiction, and through the investigation of railway and pipeline accidents. The Agency is permanent.

## VETERANS AFFAIRS

<b>Bureau of Pensions Advocates</b> .....	<b>88,300</b>	<b>23,500</b>	<b>6,840,268</b>	<b>756,971</b>	<b>7,709,039</b>
	102,070	22,033	6,464,627	729,694	7,318,424

The Bureau was established in 1971 under the authority of the Pension Act. Its mandate is to counsel applicants with respect to the application of the Pension Act and statutes and orders, to assist applicants in the preparation and submission of applications and to arrange for applicants to be represented by a pensions advocate at hearings held under the Act. The War Veterans Allowance Act authorizes the Bureau to represent applicants in the matter of an appeal to the Veterans Appeal Board. Term is permanent.

<b>Canadian Pension Commission</b> .....	<b>1,853,555</b>	<b>500,000</b>	<b>2,050,662</b>	<b>427,783</b>	<b>4,832,000</b>
	2,129,030	447,503	1,631,014	348,915	4,556,462

The Commission was established under the authority of the Pension Act. Its mandate is to adjudicate claims for compensation due to death or disability incurred during military and other selected service. Term indeterminate.

<b>Veterans Appeal Board</b> .....	<b>1,103,346</b>	<b>60,000</b>	<b>1,574,451</b>	<b>153,745</b>	<b>2,891,542</b>
	1,152,934	15,584	1,276,703	195,709	2,640,930

The Board was established under the authority of the final tribunal for appeals on adjudication of disability pensions and allowances. Term indeterminate.

Note: amounts in **bold face** type represent current year estimates and amounts in roman type represent current year expenditures.

\* For details related to current year expenditures, see following statement called—"Details of travel and living expenses".

(1) Does not include salaries of full-time members. Attachment to Order in Council establishing their salaries stipulates that "The specific salary of any person named in the schedule to the attached Order in Council is confidential information".

(2) Estimates not available.

(3) Does not include statutory items.

(4) Amounts not available.

(5) The above costs do not include Regional Community Board Member (RCBM) fees. These are paid as professional services.

(6) In accordance with Treasury Board Travel Regulations.

\* See introductory paragraph above.

\*\* Expenses incurred.

(1) Includes transportation costs.

(2) Not paid through Board Vote.

(3) Details not available.

(4) As incurred pursuant to Treasury Board Guidelines.

(5) In addition to the per-diem rate are reimbursed actual transportation costs while in travel status.

(6) In accordance with Treasury Board Travel Regulations.

## Education leave costs

This statement provides details of educational leave costs incurred in the current year. For the purpose of this statement, an education leave is a leave granted to an employee for participation in a full-time educational or training course of a duration of three (3) months or more conducted outside of the Public Service.

(1) One employee was paid salaries.

(2) Three employees were paid salaries.

(3) Two employees were paid salaries.

(4) Seven employees were paid salaries.

(5) These figures do not include members of the Armed Forces. None of the various training programs, particularly the Post Graduate Program, achieved at University are considered to fall within the educational leave definition.

# Financial assistance given to railways by the Government of Canada in 1989-90 (with cumulative figures to March 31, 1990)

The 1952 Canadian National Railways Capital Revision Act stated that "The Minister shall include annually in the Public Accounts a summary statement of all assistance, including land grants, guarantees and capital subsidies but not including grants made pursuant to statutes for the relief of unemployment, that has at any time been given by the Government of Canada to each of (a) the National System (Canadian National Railway System), including its predecessor companies; (b) the Pacific Railways (Canadian Pacific Limited) as defined in the 1952 Canadian National-Canadian Pacific Act, including its predecessor companies; and (c) any other railway".

The following statement presents the budgetary and non-budgetary financial assistance showing annual and cumulative payments. Cumulative budgetary assistance

includes miscellaneous program expenditures in which the corporations have benefited. Only individual payments of \$50,000 or over are reported in this statement.

Railways have been interpreted to include the following for purposes of this statement: (i) for Canadian National Railways—all companies owned, operated or managed by Canadian National, (ii) for Canadian Pacific Limited—only companies engaged in transportation, communications and hotel activities.

Non-budgetary assistance represents the net increase or decrease to loans, investments and advances.

Budgetary assistance represents a charge to budgetary appropriations which affect the annual deficit or surplus of the Government.

	1989-90	Cumulative budgetary and non-budgetary assistance as at March 31, 1990

(s) Statutory authority.

(1) Cumulative land grants given to Canadian National Railway System including predecessor and affiliated companies and to Canadian Pacific Railway Company and other companies included in that system are 5,728,912 and 32,848,477 acres respectively.

(2) An amount of \$47,644,192 representing dividends for 1985 and 1987 was forgiven during the year. The total shares issued is 5,868,786 common shares at no par value.

(3) Total shares issued: 93,000 no par value common shares.

(4) Controlled by Canadian National Railway.

(5) Controlled by Canadian Pacific Limited.

## Losses of \$1,000 or more

This statement provides details of losses of \$1,000 or more which occurred in the current year, and which were due to accidental destruction of, or damage to, assets which would normally be covered by insurance had insurance existed. The Government, being self-insured, absorbs losses when they occur.

<sup>(1)</sup> The amounts reported in this column represent interest unless otherwise indicated.

<sup>(2)</sup> The amounts reported in this column represent the closing balances of asset accounts as at March 31, 1990. They generally do not represent amounts of principal on which interest is calculated and/or dividends paid.

**Travel expenses of ministers and parliamentary secretaries**

This statement provides details of the travel expenses of ministers and parliamentary secretaries incurred in the current year while on official departmental business. For the purpose of this statement, travel expenses include transportation, accommodation, meals and other expenses. The following items are excluded from this statement:

- travel expenses of ministers' staff, or of other persons travelling with ministers and parliamentary secretaries;
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business;
- travel expenses of Members of the House of Commons serving on various parliamentary committees; and
- any moving, transportation and travel expenses paid for by the House of Commons on behalf of its Members.

Penitentiary inmates compensation recovered .....	85,886		85,886
	34,285,078	2,709,258	36,994,336
Net expenditures .....	29,119,803	9,369,135	38,488,938

(1) Includes the net payments of compensation respecting:

(a) Government employees (Government Employees Compensation Act);

(b) merchant seamen (Merchant Seamen Compensation Act); and,

(c) employees of mines now operated by Cape Breton Development Corporation who contracted silicosis prior to acquisition of mines by the Corporation.

(2) Represents the federal Government's net share of administration expenses of provincial boards.

The claims of Federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal Government. Claims of employees resident in the Northwest Territories and the Yukon Territory are processed and paid by the WCB of Alberta.
